

## **Race Day Bike Valets**

Parking will be limited on race day, and biking in to the event is encouraged. Two bike valet locations will be open 9 a.m. – 5 p.m. on Sunday, May 12 to accommodate spectators who ride their bikes to the race. San Diego County Bike Coalition volunteers will be operating the valets, which are complementary. Donations are appreciated, and will benefit the San Diego County Bike Coalition (a non-profit organization).

### **How does it work?**

Easy! Simply ride your bike to a bike valet location, drop it off, and you'll be issued a unique ticket. Your bike will be stored in a safe, secure area until you come back, show your ticket, and claim your bike.

**Please note: Bike valets will close at 5 p.m. sharp. Please come to claim your bike before 5 p.m.**
