Our City Treasurer is the voters' direct link to our community's future fiscal health. This trusted position requires integrity, transparency, and accountability. I've had the pleasure to serve my fellow citizens where trust is paramount: I have deployed into combat as a US Army Infantryman where lives are at stake, and I have worked on some of our nation's most advanced aerospace projects that maintain our warfighter advantages. My engineering background enables me to evaluate risk and identify solutions to complex problems. My Army training enables me to understand the human factors, and how our fiscal policies will directly impact our residents' daily lives. Being an entrepreneur, I also recognize that I am fully accountable for all decisions.

As a steward of your tax dollars, I will focus on continued responsible growth of our budget reserves while supporting our vital community services. While I am a fiscal conservative, I believe many social programs can ultimately save taxpayer dollars in the long run and promote growth. I believe in an efficient government that has a positive and energetic culture, a true City of Choice for our residents and businesses.

It would be an honor to serve you.

Sincerely,

Ryan T. Clark
