As City Treasurer, I will be readily accessible to the public, and eager to address your concerns. I have lived in Escondido for over 20 years, and I have worked here for 17 years owning my own business as an Attorney. Additionally, I have volunteered in youth organizations. My family has been greatly blessed by our community, and I am very grateful.

The City Treasurer is responsible for safeguarding the City's money and public funds, and monitoring bond and assessment district administration. I will carefully invest the City's surplus funds, giving priority to safety first, liquidity second, and yield last. As a persistent open government advocate, I will use the latest cost-effective technology to inform the public of the City's investments, funds, and accounts.

I believe the City Treasurer's salary is too high (like all of the management salaries at City Hall). In 1984, voters tied the City Treasurer's salary to one-half of the salary of a City Hall department head. Since then, salaries have increased substantially. Notoriously, City Hall salaries jumped even as private sector salaries and jobs lagged, and desirable municipal functions were cut or scaled back.

I am asking for your vote on November 8, 2016.

I understand I am responsible for the cost of this statement and I may be billed or refunded the difference in cost based on the final registration for my jurisdiction.	Cost of the Statement: City Council Candidates: \$900 Treasurer Candidates: \$1100 Checks payable to: City of Escondido
