Spring Vegetable Garden 2 weeks Adults

You will learn the basics for planting seasonal vegetable gardens, including soil problems & preparation, planting dates, irrigation systems, fertilizing and composting, and what to plant in each season. We will cover the different families of vegetables and the varieties included in those families. You will want to start your garden right away.

Instructor: Joyce Gemmell, Master Gardener
#2122.100 Sa 9:00–12:00 pm 4/3–4/10 **\$45 MCC
**\$5 material fee due at first class

Become a Drought-Buster 2 weeks Adults

Be first on your block with lower water bills by drought-busting your landscape. The first class will teach low-cost ways to stop water waste in lawns, food and flower gardens, and shade-tree areas; how to use a sprinkler controller to save you money; how to get a pro to help you with leaks; and if less lawn would suit you, fill your imagination with water-wise schemes and plants to replace turf. You'll get a worksheet to fill out at home, and at the second class we'll get busy drought-busting your yard.

Instructor: Kay Stewart, landscape architect
#2133.100 Sa 10:00–11:30 am 4/17–4/24 **\$29 EVCC
**\$2 material fee due at first class

Gardening & Landscaping with California Native Plants 4 weeks Adults

Are you tired of the maintenance and water demands of your yard? Planting the right natives will reduce or eliminate water usage and maintenance, and create lasting beauty. You will learn where to find natives, how and when to plant, which plants are fire-resistant, and how to choose the right plants to meet your needs. You will have the opportunity to develop a plan to convert all or part of your yard to natives. The last class will include a one-hour field trip to a nearby native plant nursery with demonstration gardens.

Instructor: Julie Schneider, botanist, M.F.A., and landscape consultant
#2132.100 Sa 2:00–4:00 pm 4/10–5/1 **\$65 EVCC
**\$5 material fee due at first class

Pre-College Safety Awareness Ages 16+

This two-hour course is designed for students who are going off to college or teens who are about to leave home and live on their own for the first time. Your teen will learn how to avoid being the victim of a crime through recognizing danger cues, plus other topics will include spring breaks in the USA and foreign countries, the danger and expense of a DUI conviction, the danger of drinking alcoholic beverages with strangers, drug use; and more. Teens will be shown simple self-defense techniques that can help them escape a physical attack on their person. The workshop will also cover identity theft, home safety, and legal options for self-defense. There will be no physical participation in this class.

Instructor: Sergeant Al Owens, police officer for 14 years and Defensive Tactics instructor for 12 years
#2154.100 Th 6:00–8:00 pm 5/20 \$15 EVCC

Safety Awareness & Self-Defense Option 1 Ages 16–Adult

This two-hour course will teach you the basics to help avoid being the victim of a crime. We will explain danger cues and awareness, and you will learn simple self-defense techniques that can help you escape a physical attack. Other topics will include identity theft, home safety, and legal options for self-defense. *There will be no physical participation in this class.*

Instructor: Sergeant Al Owens, police officer for 14 years and Defensive Tactics Instructor for 12 years
#2152.100 Th 6:00–8:00 pm 4/22 \$15 EVCC

Safety Awareness & Self-Defense Option 2 Ages 16–Adult

We begin with a review of the Option 1 course and then move into some practical application of self-defense techniques described in Option 1. Class will concentrate on form, while building confidence and having fun. All techniques will be controlled and performed at low-intensity to avoid injuries. This class is geared toward students who have little or no experience with martial arts, boxing, or grappling.

Instructor: Sergeant Al Owens, police officer for 14 years and Defensive Tactics Instructor for 12 years
#2153.100 Th 6:00–8:00 pm 4/29 \$15 EVCC
