PLEASE NOTE: Registration cannot be taken in class. Our instructors are independent contractors so they cannot process registration; however, they do collect material fees in class. **Fees will not be prorated if you register after class has started.**

How do I request a refund or credit voucher?

- Contact registration staff at City Hall or EVCC to request a refund or credit voucher if you are unable to attend a class/activity after you have registered.
- Credit vouchers will be issued for 100% of class fees minus any classes attended or missed.
- Refund requests will be assessed a 25% service charge, deducted from original fees paid, and any classes attended or missed will also be deducted from original fees paid.
- Requests for a refund or credit voucher must be made before the last class.
- Refunds or credit vouchers will not be issued for individual class meetings that you missed.
- For one-time workshops, requests must be made at least two business days before the date of the workshop.

So, the sooner you notify staff that you will be dropping out of a class, the greater your refund or credit will be.

Your satisfaction is guaranteed! Our goal is to provide you with the highest quality recreational programs. If a class doesn't meet your expectations, we want to know about it. Please contact us as soon as possible so we can arrange for you to receive a credit voucher or a refund.
