Having lived in Escondido over 49 years I have never heard of Pacific Avenue but agree to vacate the street that never was. I knew about Walnut St in the same vicinity which also never was. This brings me to suggest as I did 21 years ago to allow vacating alleys between 2nd Ave and 15th Ave and Escondido Blvd and Centre City Parkway. In the era of WE NEED MORE HOUSING this would allow additional units to be built with lot consolidation using the alleys as open space requirements since no permanent structure can be built over the utilities underground. Also good to see you will vacate the alley between 2nd Ave and W. Grand Ave which I suggested to be done about six or seven years ago.
