Thank you for moving forward to address a growing homeless population in Escondido. When the Ad-Hoc committee begins work they should contact the new City Manager of Garden Grove, Lisa Kim. She was previously Community and Economic Development Director and had developed a comprehensive plan to address homelessness in Garden Grove. This included 1. Mobile response team. 2. Street medicine program. 3. Central city navigation center. Ms. Kim would be a good resource to contact as to the pluses and minuses of the programs. i believe this to be a good starting point.
