Comments

I 100% support Tom Kennedy's appointment as Escondido's representative on the San Diego County Water Authority. Among a very good group of candidates, I believe Tom favorably stands out based on his professional background - including past experience on the County Water Authority - paired with being a current and long-time City resident. County Water Authority serves as our lifeline to potable water supplies, and it merits Escondido sending our very best to represent our growing City's interests. Tom fits the bill.
