Comments

Why is the Mayor, Dane White, NOT doing ONE SINGLE THING to help the homeless situation in Escondido? He has squandered away money set-aside for Our growing homeless issue on some black fencing by the freeway. He is supporting agencies such as Interfaith WHICH....I'd doing NOTHING FOR THE HOMELESS except giving out a brown lunch bag for some. This Mayor is making Escondido an embarrassment!!! In fact, other agencies from other locations are coming in and setting up homeless programs where this Mayor is failing!!!

Furthermore, it has come to Our attention that the Mayor is having the homeless ticketed for pushing their carts around City Hall. This Citizens of Escondido see what's going on!
