WHEREAS, nearly all sales tax goes to either the State, County or SANDAG, a local sales tax measure will allow Escondido local control over local revenue for the services residents expect and deserve; and

WHEREAS, residents continue to prioritize 911 emergency response, the funding from this measure will help the City to ensure enough police, firefighters, dispatchers and paramedics to respond quickly to 911 emergencies; and

WHEREAS, additional local funding will the City to keep up with basic repairs and maintenance to public facilities, storm drains, streets and sidewalks; these repairs will be a lot more expensive in the future if they are not addressed now; and

WHEREAS, the City has determined that the enactment of a 3/4 cent general local transactions and use tax (commonly known as a "sales tax") for 15 years would allow the City to address the community's public safety, homelessness, infrastructure, facilities, and equipment priorities without compromising the provision of existing City services; and

WHEREAS, local, voter-approved funding will provide a guaranteed source of money for essential City services that cannot be taken by Sacramento or Washington, D.C, as all funds will be controlled by the City; and

25-33.1. TITLE.

This chapter shall be known as the Escondido 3/4 Cent Sales Tax Ordinance. The City of Escondido hereinafter shall be called "City." This ordinance shall be applicable in the incorporated territory of the City.

25-33.2. PURPOSE.

This ordinance codified in this chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transaction and use tax, in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority vote of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transaction and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible

deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting California State Sales and Use Taxes.

D. To adopt a retail transaction and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of the Ordinance.

E. To provide transactions and use tax revenue for unrestricted general revenue purposes, and not specific purposes. All the proceeds from the tax imposed by this chapter shall be placed in the City's general fund and be available for any legal municipal purpose.

25-33.3. OPERATIVE DATE.

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the approval of the voters of the City of a measure approving the imposition of the transactions and use tax set forth herein, unless a later Operative Date becomes effective under the provisions of Section 25-33.6.

25-33.4. TRANSACTIONS AND USE TAX IMPOSITION RATE.

A. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 3/4 percent (0.75%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date of the ordinance codified in this chapter.

B. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the Operative Date of the ordinance codified in this chapter for storage, use or other consumption in said territory at the rate of 3/4 percent

(0.75%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

25-33.5. TERMINATION DATE.

The authority to levy the tax imposed by this chapter shall expire fifteen (15) years after the Operative Date.

25-33.6. CONTRACT WITH CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION.

Prior to the Operative Date, City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of the ordinance codified in this chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract, and in such a case the Operative Date shall be the first day of the first calendar quarter following the effective date of such a contract.

25-33.7. PLACE OF SALE.

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the state or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of tax and Fee Administration.

25-33.8. ADOPTION OF PROVISIONS OF STATE LAW.

Except as otherwise provided in this chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1

(commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this chapter as though fully set forth herein.

25-33.15. USE OF PROCEEDS.

The proceeds from the tax imposed by this chapter shall be for unrestricted general revenue purposes of the City and shall be received into the general fund of the City. Nothing in this chapter shall constitute the tax imposed under this chapter as a special tax, or bind the City to use the proceeds for any specific purpose or function; the City Council shall retain discretion to expend the proceeds of the tax for any lawful purpose of the City.

25-33.16. CITIZENS' OVERSIGHT AND ACCOUNTABILITY.

In order to provide for citizens' oversight, transparency, and accountability in connection with expenditures of tax revenues generated under the terms of this chapter, the City shall do the following:

A. Separate Fund Accounting. All revenue generated by the tax ("Measure 'E' Revenues") shall be accounted in the General Fund as a separate line item entitled "Local Sales and Use Tax - Measure 'E' Revenues." Measure 'E' Revenues will then be transferred to a General Fund subfund entitled "Measure 'E' Fund." Any and all expenditures of Measure 'E' Revenues will be tracked and accounted for by City Finance Department staff in accordance with Generally Accepted Accounting Principles (GAAP), and presented annually in a report (the "Finance Department Report") to the Citizens' Oversight Committee ("COC") created pursuant to Subdivision (D) below.

B. Initial and Annual Submittal of Measure A Spending Plan. If Measure 'E' is approved by the voters, beginning in the fiscal year 2023-24, and for each subsequent year, the City Manager shall, prior to the City Council consideration of the City's annual budget, prepare and present to the COC for its review a spending plan for Measure 'E' Revenues. It is the intent that the Measure 'E' Revenues be used to improve public safety, infrastructure, and the delivery of public services and help solve the City's structural deficit and the plan (the "Measure 'E' Spending Plan") shall reflect these priorities and include specific proposals for near term expenditures as well as a plan for expenditures while the tax is in effect, and finance options for larger-scale projects that may require the pledge of Measure 'E' Revenues. After

review and recommendation by the COC, the Measure 'E' Spending Plan shall be presented to the City Council for its consideration and final decision in its discretion, as part of the City's annual budget process. The City Council must consider for approval the expenditure of projected Measure 'E' Revenues as a separate line item category in each year's budget.

C. Annual Independent Audit. Beginning with the fiscal year that ends June 30, 2023, the City's independent auditors shall, as part of their annual audit of the City's financial statements, review the collection and expenditure of revenue from the Measure 'E' Revenues. Along with the City's Finance Department Report provided in subsection A, above, the auditors' review of such revenues ("Auditor Report") shall be presented each year to the COC at a public meeting for its review for compliance with the terms of the ordinance codified in this chapter. The results of the COC review shall then be transmitted through the City's Manager's Office to the City Council for its consideration at a public meeting.

D. Citizens' Oversight Committee. Prior to the Operative Date, the City Council shall create and convene a Citizens' Oversight Committee ("COC"). The function of the COC shall be to review and report on City compliance with the terms of this chapter and the Measure 'E' Spending Plan presented and approved by the City Council thereafter. Specific COC responsibilities shall include: (1) public review and comment on each year's Finance Department Report, Measure 'E' Spending Plan and Auditor Report (as provided in subsections A-C, above); (2) preparation of an annual report regarding compliance with the City Council adopted Measure 'E' Spending Plan for presentation to the City Council at a public meeting; (3) working with City staff to identify and apply "best practices" for tracking and reporting on Measure 'E' Revenues and expenditures relative to other City revenues and expenditures; and (4) making a finding whether the Measure 'E' Revenues have been expended consistent with the intent of the measure. Current elected City officials and employees are disqualified from membership in the COC. COC members shall be appointed by the City Council in accordance with existing City policies, or as may be

adopted by Resolution or Ordinance, and will include individuals with a range of expertise, including but not limited to accounting, finance, and engineering. The COC shall operate in accordance with the Ralph M. Brown Act, which includes requirements that meetings be noticed in advance and held in public. The COC shall be created by City Council ordinance consistent with the terms of this section adopted no later than April 30, 2023.

25-33.17. SEVERABILITY.

If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable. This City Council and the people of the City of Escondido hereby declare that they would have adopted the ordinance codified in this chapter irrespective of the invalidity of any particular portion thereof and intends that the invalid portions should be severed and the balance of the chapter be enforced.

SECTION 2. ENVIRONMENTAL ANALYSIS. RESOLUTION NO. 2022-99

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ESCONDIDO, CALIFORNIA, EXPRESSING THE INTENT OF THE CITY COUNCIL IN ADOPTING ORDINANCE NO. 2022-98RR AND PLACING A LOCAL SALES TAX MEASURE ON THE NOVEMBER 2022 BALLOT

WHEREAS, the City of Escondido (“City”) is a general law city of extraordinary potential currently experiencing critical fiscal challenges to having sufficient revenues to meet ever increasing costs required by law; and

WHEREAS, the City’s ability to create and collect revenue has not been able to keep pace with the growing costs of providing municipal services and thereby threatens the City’s ability to provide the needed services to ensure safe neighborhoods and quality services to support its residents; and

WHEREAS, the City has aggressively responded to this financial challenge by reducing its workforce over the years below pre-recession levels; reducing pension obligations; deferring maintenance of City facilities and purchase of equipment; pursuing available grant funding whenever possible; establishing Community Facilities Districts thereby capturing the additional services costs associated with new developments; and, regrettably, cutting back services despite serving a growing population;

WHEREAS, the City serves its citizens primarily by services performed by employees, as a result approximately 84% of the City’s budget is devoted to employee related costs, which are growing primarily as a result of pension related payments the City is required to make to CalPERS to address the Unfunded Accrued Liability; and

WHEREAS, required annual payments to CalPERS are 15% of the total General Fund operating budget at \$19.7 million in FY2022/23, and are expected to continue to grow over the next twenty years; and

WHEREAS, the City fundamentally changed the methodology it uses in the budget process for its 2022/23 fiscal year budget to ensure that it maintains fiscal stability by reducing reliance on unsustainable

one-time funding sources and instead, using reliable indicators of revenue and expenditures to provide a realistic balanced budget focusing on the priorities of the community; and

WHEREAS, nearly 2,000 residents of the City have expressed through multiple channels, including a community survey, a scientifically conducted survey concerning a potential local sales tax measure, and by communications directly to City staff and the City Councilmembers, a strong interest in ensuring a safe community for its residents and one that attracts business and visitors; and

WHEREAS, nearly all sales tax goes to either the State, County or SANDAG, a local sales tax measure will allow Escondido local control over local revenue for the services residents expect and deserve; and

WHEREAS, residents also identified funding priorities for City services including addressing homelessness, repairing and maintain local streets, sidewalks and infrastructure, keeping parks and public facilities safe, clean and well-maintained, providing quick responses to 911 emergencies and providing fire protection and paramedic services; and

WHEREAS, residents continue to prioritize 911 emergency response, the funding from this measure will help the City to ensure enough police, firefighters, dispatchers and paramedics to respond quickly to 911 emergencies; and

WHEREAS, additional local funding will the City to keep up with basic repairs and maintenance to public facilities, storm drains, streets and sidewalks; these repairs will be a lot more expensive in the future if they are not addressed now; and

WHEREAS, the City Council believes that a local government can best address the community's concerns about safety by providing focused financial support and resources to its police and fire departments; and

WHEREAS, the City Council is considering the placement of a local sales tax measure before the voters which would allow for locally controlled funds to augment existing but insufficient sales and

property tax revenues to directly meet the needs of this City, including specifically, the need to ensure a safe and livable community; and

WHEREAS, the City Council is particularly mindful of the financial burdens placed on all residents by the imposition of any kind of tax, levy or fee and the increase of any such revenue sources must be done only when required to provide the services needed to achieve the expectations of City residents; and

WHEREAS, because the current City Council is not able to direct future city councils on their spending priorities in their budgets, and particularly in how any revenue derived from a proposed local general sales tax measure will be allocated, the purpose of this Resolution is to unequivocally state the intent of this City Council which is facing the existing critical fiscal challenge and required to make the difficult decision whether there are sufficient revenues available to meet the community's needs and whether its residents should be potentially facing an increased tax burden; and

WHEREAS, this City Council believes that should the community vote in favor of a local sales tax measure, future city councils should devote at least 50% of any additional revenue derived therefrom to support of the City's police and fire departments in their efforts to deliver to the taxpayers the safe City they want and deserve; and

WHEREAS, the proposed sales tax measure will require separate accounting as Local Sales and Use Tax – Measure 'E' Revenues and the City Manager shall prepare an annual spending plan for Measure 'E' Revenues to be used to improve public safety, infrastructure and the delivery of public services and help solve the City's structural deficit.

WHEREAS, the City Council shall create and convene a Citizens' Oversight Committee to: (1) ensure public review and comment on the annual spending plan for Measure 'E' Revenues; (2) prepare an annual report regarding compliance with the previous year annual spending plan for presentation to the City Council at a public meeting; (3) work with City staff to prepare best practices for tracking and

reporting on Measure 'E' Revenues and expenditures relative to other City revenues and expenditures, and; (4) making a finding whether Measure 'E' Revenues have been expended consistent with the intent of the measure; and

WHEREAS, the Citizens' Oversight Committee shall operate subject to the Brown Act and all meetings will be properly noticed and open to the public; and

WHEREAS, the City shall conduct an annual independent audit of the City's financial statements, including the review of the collection and expenditure of revenue from Measure 'E,' and the auditor's report shall be presented to the Citizens' Oversight Committee for its review of compliance with the terms of Measure 'E'; and

WHEREAS, in addition to the review of the annual spending plan for Measure 'E' Revenues as part of the annual budget process, every five years the City Council should conduct a strategic review of Measure 'E' Revenues and expenditures and will assess the necessity of continuing any sales tax approved by the voters; and

WHEREAS, this City Council deems it to be in the best interests of the City and its residents, given existing fiscal challenges and the importance of supporting a safe and livable community, to place a measure on the November 2022 ballot for the community's consideration and decision.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Escondido, California:

1. That the above recitations are true.
2. That this City Council believes that a City must live within its financial means; engage the community in its yearly budget process in a transparent, honest and meaningful way; and must avoid whenever reasonably possible placing any additional tax burdens on City residents.
3. That this City Council believes at this time there are sufficient critical financial circumstances and needs warranting placement of a local sales tax measure on the ballot for voter consideration.

4. That this City Council is adopting Ordinance No. 2022-15R to give future City Councils the opportunity to have adequate fiscal resources to maintain a safe and livable community for City residents and that can best be accomplished by earmarking not less than half of any additional revenues from a local sales tax measure to support the City's police and fire services.
