AGREEMENT FOR COMPLETION OF IMPROVEMENTS

This Agreement is made and entered into this _____ day of _____, 20____, by and between CITY OF ESCONDIDO, a municipal corporation, hereinafter referred to as “CITY,” and _____ a _____ hereinafter referred to as “APPLICANT”;

WHEREAS, APPLICANT proposes to construct a building, structure or development at _____ in the City of Escondido, County of San Diego, State of California, the “Project”; and

WHEREAS, certain public improvements are required to be constructed and/or installed in the streets and/or easements adjacent to the lot or parcel upon which such the Project is to be constructed or erected; and

WHEREAS, pursuant to the provisions of Ordinance No. 93-2 of the Escondido Municipal Code, it is necessary that certain public improvements as detailed in the plans and specifications on file with the City Engineer of the City of Escondido, the “Improvements”, be constructed and/or installed as a condition of and prerequisite to final inspection and acceptance of the Project.

NOW, THEREFORE, IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:

1. APPLICANT hereby agrees, at its sole cost and expense, to furnish all labor, equipment and materials to construct the Improvements in a good workmanlike manner and in conformance with the approved plans and specifications on file with the City Engineer. APPLICANT agrees that the Improvements shall be completed within 365 days from the date of this Agreement. The Improvements shall be completed to the satisfaction of the City Engineer, and shall not be deemed complete until approved and accepted by CITY. The estimated cost of the Improvements is the sum of \$_____

2. APPLICANT covenants that all Improvements shall be constructed in a manner that does not damage existing 36446 public property. Should any damage occur to public property, including, but not limited to, the Improvements in the public right-of-way as a result of APPLICANT or APPLICANT’S contractor performing construction, APPLICANT shall be responsible for repair or reconstruction of the public property. Such repair or reconstruction shall be at the APPLICANT’S sole expense and shall be completed to the satisfaction of the City Engineer.

3. CITY and its respective elected and appointed boards, officials, officers, agents, employees and volunteers (individually and collectively, “Indemnitees”) shall have no liability to APPLICANT or any other person for, and APPLICANT shall indemnify, defend, protect and

hold harmless Indemnites from and against, any and all liabilities, claims, actions, causes of action, proceedings, suits, damages, judgments, liens, levies, costs and expenses of whatever nature, including reasonable attorneys' fees and disbursements (collectively "Claims"), which Indemnites may suffer or incur or to which Indemnites may become subject by reason of or arising out of any injury to or death of any person(s), damage to property, loss of use of property, economic loss or otherwise occurring as a result of or allegedly caused by construction of the Improvements. CITY shall not by its approval of the Project, or any part of it, or by entering into this Agreement, or by granting any permits concerning this Project or Improvements, be deemed an insurer or surety for the design or construction of the Improvements.

If any action or proceeding is brought against Indemnites by reason of any of the matters against which APPLICANT has agreed to indemnify Indemnites as provided above, APPLICANT, upon notice from CITY, shall defend Indemnites at APPLICANT'S expense by counsel acceptable to CITY, such acceptance not to be unreasonably withheld. Indemnites need not have first paid for any of the matters to which Indemnites are entitled to indemnification in order to be so indemnified. The provisions of this section shall survive the expiration or earlier termination of this Agreement.

4. APPLICANT shall further indemnify, defend and hold harmless CITY and its officers, employees and agents from and against any and all liabilities, claims, actions, causes of action, proceedings, suits, administrative proceedings, damages, fines, penalties, judgments, orders, liens, levies, costs and expenses of whatever nature, including reasonable attorneys' fees and disbursements, arising out of any violation, or claim of violation of the San Diego Municipal Storm Water Permit (Order No. 2001-01) of the California Regional Water Quality Control Board Region 9, San Diego, which CITY might suffer, incur, or become subject by reason of or occurring as a result of or allegedly caused by the construction of the Project or the Improvements.

APPLICANT may, upon approval of the City Engineer, close all or a portion of any public right-of-way whenever it is reasonably necessary to protect the traveling public during construction of the Improvements. APPLICANT agrees that the provisions of paragraph nos. 3 and 4, respecting indemnification, are applicable to the obligations as set forth in this paragraph number.

6. APPLICANT hereby agrees to pay for any inspection of streets and/or easements as may be required by CITY ordinances.

7. It is further agreed that APPLICANT shall file with the City Clerk at the time of signing this Agreement a good and sufficient bond or Instrument of Credit in an amount not less than the estimated cost of the Improvements, as specified above, for the faithful performance of

the terms and conditions of this Agreement, including payment for all labor and materials furnished in connection therewith and the guarantee and warranty of the Improvements for a period of one year against any defective work or labor or defective materials furnished, and that should the sureties on the bond or either of them become insufficient, APPLICANT agrees to renew the bond with good and sufficient sureties within 10 days after receiving notice that the sureties are insufficient.

8. In lieu of filing a bond as provided above, APPLICANT may deposit with the City Clerk or with a responsible escrow agent, bank, savings and loan or trust company, a sum of money or other form of security acceptable to the City Attorney, not less than the estimated cost of the Improvements as above specified, together with instructions to the escrow agent or bank, savings and loan or trust company for the payment of such money, which instructions shall be subject to the approval of the City Attorney.

10. It is further agreed by and between the parties that, in the event the City deems it necessary to extend the time of completion of the Improvements required under this Agreement, an extension may only be granted by CITY in writing. Also, the City may agree in writing to reduce the amount required as security in this Agreement, if partial completion of the work has been obtained. However, such actions in either case shall in no way affect the validity of this Agreement, nor shall such extension release the surety or sureties on any bond given for the faithful performance of this Agreement, unless otherwise agreed by the CITY in writing. In all cases, the surety waives the provisions of Section 2819 of the Civil Code of the State of California.

11. It is further agreed by and between the parties hereto that the terms of this Agreement shall run with the land and shall be binding on all parties having or acquiring any right, title, or interest in the above-described land or any part thereof.
