

2022 BENEFITS eGUIDE

January 1 - December 31, 2022

Welcome

Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, your family and your way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

Generally, all regular City employees are eligible to participate in the City of Escondido's benefit program. Eligible employees may also enroll their eligible dependents in the City's benefit plans. Your eligible dependents include:

- ▶ Your legally married spouse
- ▶ Your registered domestic partner (RDP) and/or his/her children, where applicable by state law
- ▶ Your children who are your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

When Coverage Begins

- ▶ **New Hires:** You must complete the enrollment process within 30 days of your date of hire. Coverage is effective the first day of the month following your date of hire. If hired on the first of the month, coverage will be effective on that date.
- ▶ If you fail to enroll on time, you will **NOT** have benefits coverage (except for company-paid benefits).
- ▶ **Open Enrollment:** Changes made during Open Enrollment are effective January 1 - December 31, 2022.

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualified life event during the year. Following are examples of the most common qualified life events:

- ▶ Marriage or divorce
- ▶ Birth or adoption of a child
- ▶ Child reaching the maximum age limit
- ▶ Death of a spouse, RDP, or child
- ▶ You lose coverage under your spouse's/RDP's plan
- ▶ You gain access to state coverage under Medicaid or CHIP

Making Changes

To make changes to your benefit elections, you must contact Employee Benefits within 30 days of the qualified life event (including newborns). Be prepared to show documentation of the event such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to make your election changes.

Waiving Health Insurance

Employees who waive a level of City medical coverage with proof of coverage elsewhere, will receive a \$75 monthly waiver benefit. In the event two City employees are married and both employees waive a level of coverage, only one spouse will receive the \$75 monthly waiver. The various levels of medical coverage include employee only, employee plus one and family coverage.

- ▶ To receive the credit, you **are required to** complete a [Waiver of Coverage](#) form and submit it to Employee Benefits by the Enrollment deadline along with a copy of the insurance card.
- ▶ If completing a Waiver, participants must complete this form each year.

If you have waived coverage and the alternative medical coverage is lost during the year, notify Employee Benefits within 30 days so you may elect City coverage for the remainder year.

Required Information—When you enroll, you will be required to enter a Social Security number (SSN) for all covered dependents. The Affordable Care Act (ACA), otherwise known as health care reform, requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

Medical

We are proud to offer you a choice between two different medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. Following is a brief description of each plan.

Effective 1/1/2022, chiropractic benefits are available when treatment is deemed medically necessary.

Kaiser HMO

With this plan, you select a primary care physician (PCP) from the participating network of providers who will coordinate your health care needs, refer you to specialists (if needed) and approve further medical treatment. Services received outside of the HMO's network are not covered, except in the case of emergency medical care.

Kaiser HDHP

The Kaiser High-Deductible Health Plan (HDHP) is an HMO plan. You will select a primary care physician (PCP) from the participating network of providers as detailed above. In addition, the HDHP comes with a health savings account (HSA) that allows you to save pre-tax dollars¹ to pay for any qualified health care expenses as defined by the IRS, including most out-of-pocket medical, prescription drug, dental and vision expenses. For a complete list of qualified health care expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

Here's how the plan works:

- ▶ **Annual Deductible:** You must meet the entire annual deductible before the plan starts to pay for non-preventive medical and prescription drug expenses. **NOTE:** *If you enroll one or more family members, you must meet the full FAMILY deductible before the plan starts to pay expenses for any one individual.*
- ▶ **Coinsurance:** Once you've met the plan's annual deductible, you are responsible for a percentage of your medical expenses, which is called coinsurance. For example, the plan may pay 80 percent and you may pay 20 percent.
- ▶ **Out-of-Pocket Maximum:** Once your deductible and coinsurance add up to the plan's annual out-of-pocket maximum, the plan will pay 100 percent of all eligible covered services for the rest of the calendar year. **NOTE:** *If you enroll one or more family members, each covered family member is only required to meet the INDIVIDUAL out-of-pocket maximum before the plan starts to pay covered services at 100 percent for that individual. If you have other family members in this plan, they have to meet their own out of pocket maximum until the overall family maximum has been met.*
- ▶ **Health Savings Account (HSA):** You may contribute to your HSA through pre-tax payroll deductions to help offset your annual deductible and pay for qualified health care expenses. In addition, the City will contribute \$700 annually to your HSA if you enroll in employee-only coverage and \$1,400 annually if you enroll yourself and one or more family members. **To be eligible for the HSA, you cannot be covered through Medicare Part A or Part B or TRICARE programs. See the plan documents for full details.**

Important: Your contributions, in addition to the company's contributions, may not exceed the annual IRS limits listed below.

HSA Contribution Limit	2022
Employee Only	\$3,650
Family (employee + 1 or more)	\$7,300
Catch-up (age 55+)	\$1,000

Your HSA is yours for life. The money is yours to spend or save, regardless of whether you change health plans², retire or leave the company. There is no "use it or lose it" rule. Your account grows tax free over time as you continue to roll over unused dollars from year to year. You decide how or if you want to spend your HSA funds. You can use them to pay for you and your dependents' doctor's visits, prescriptions, braces, glasses—even laser vision correction surgery.

¹ Tax free under federal tax law; state taxation rules may apply

² You must be enrolled in a qualified health plan to contribute to an HSA.

Voluntary Benefits

Our benefit plans are here to help you and your family live well—and stay well. But did you know that you can strengthen your coverage even further? It's true! Our voluntary benefits through Aflac are designed to complement your health care coverage and allow you to customize our benefits to you and your family's needs. The best part? Benefits from these plans are paid directly to you! Coverage is also available for your spouse and dependents.

You can enroll in these plans when you are hired and during Open Enrollment—they're completely voluntary, which means you are responsible for paying for coverage at affordable group rates. If interested in enrolling, Benefits can provide enrollment information.

Accident Insurance

Accident insurance can soften the financial impact of an accidental injury by paying a benefit to you to help cover the unexpected out-of-pocket costs related to treating your injuries.

Critical Illness

Did you know that the average total out-of-pocket cost related to treating a critical illness is over \$7,000¹? With critical illness insurance, you'll receive a lump-sum benefit if you are diagnosed with a covered condition that you can use however you would like, including to help pay for: treatment (e.g. experimental), prescriptions, travel, increased living expenses, and more.

Cancer Indemnity

The Cancer Indemnity Plan pays a flat dollar amount to you when a covered person is diagnosed with internal cancer. Other benefits include payments, directly to you, for hospital confinement, medical imaging, radiation and chemotherapy, immunotherapy, transportation and lodging. The plan also includes a cancer screening wellness benefit.

Hospital Indemnity

The average cost of a hospital stay is \$11,700—and the average length of a stay is 4.6 days². Hospital indemnity insurance can help reduce costs by paying you or a covered dependent a benefit to help cover your deductible, coinsurance and other out-of-pocket costs due to a covered sickness or injury related hospitalization. Employees with the Kaiser HDHP medical plan are not eligible for this benefit.

Flexible Spending Accounts (FSAs)

We provide you with an opportunity to participate in up to two different flexible spending accounts (FSAs) administered through Tri-Ad. FSAs allow you to set aside a portion of your income, before taxes, to pay for qualified health care and/or dependent care expenses. Because that portion of your income is not taxed, you pay less in federal income, Social Security and Medicare taxes.

Health Care FSA

For 2022, you may contribute up to \$2,750 (\$240 Minimum) to cover qualified health care expenses incurred by you, your spouse and your children up to age 26. Some qualified expenses include:

- ▶ Coinsurance
- ▶ Prescriptions
- ▶ Eye exams/eyeglasses
- ▶ Copayments
- ▶ Dental treatment
- ▶ Lasik eye surgery
- ▶ Deductibles
- ▶ Orthodontia

For a complete list of eligible expenses, visit www.irs.gov/pub/irs-pdf/p502.pdf.

Dependent Care FSA

For 2022, you may contribute up to \$5,000 (per family) to cover eligible dependent care expenses (\$2,500 if you and your spouse file separate tax returns). Some eligible expenses include:

- ▶ Care of a dependent child under the age of 13 by babysitters, nursery schools, pre-school or daycare centers
- ▶ Care of a household member who is physically or mentally incapable of caring for him/herself and qualifies as your federal tax dependent

Unused funds will **NOT** be returned to you or carried over to the following year.

You can incur expenses through March 15, 2023, and must file claims by March 31, 2023.

Maximum contribution amount is established by the IRS and your employer each year. See plan document for details.

Life insurance provides your named beneficiary(ies) with a benefit in the event of your death.

Accidental Death and Dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye).
