

NOTICE

REGIONAL TRAFFIC FEE INCREASE

On April 04, 2013 City Council Approved Resolution 2013-42 for future increases approved by the SANDAG Board of Directors and to be administratively approved by the Public Works Director/City Engineer. The Regional Traffic fee for New Residential Dwelling Units will increase from \$2,357 per unit to \$2,404.14 per unit.

The Regional Traffic Congestion Improvement Program (RTCIP) is mandated by SANDAG as part of the reauthorization of the Transnet Ordinance several years ago. The reauthorized Transnet Ordinance requires an increase to this regional local portion of the Transnet fees to the community.

The effective date of the increase is July 1, 2017 for the City to continue to receive our local portion of the Transnet Funds.
