NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN on WEDNESDAY, JUNE 19, 2019 at 6:00 p.m., the Escondido City Council of the City of Escondido will hold a Public Hearing to consider the following item:

REPORT OF THE CITY'S WATER QUALITY RELATIVE TO PUBLIC HEALTH GOALS

The California Health and Safety Code Section 116470 (b) specifies that water utilities with more than 10,000 service connections prepare a report every three years if any of their water quality measurements detect constituents that exceed any Public Health Goal (PHG). The law also requires that where a PHG for a constituent has not been established, the water suppliers are to use the Maximum Contaminant Level Goals (MCLG) adopted by the United States Environmental Protection Agency (USEPA). Only constituents which have a California primary drinking water standard, and for which either a PHG or an MCLG has been set, are to be addressed. As will be reported in the 2018 Water Consumer Confidence Report (CCR), the City of Escondido's drinking water met or exceeded all state and federal government drinking water standards. Drinking water standards are distinct from PHGs and MCLGs.

The report will be included as part of the agenda for the regularly scheduled City Council meeting on June 19, 2019. The agenda packet will be available to the public on June 13, 2019 and an electronic copy of the report will be posted on that date at the City of Escondido's website at:
