ARTICLE I  PREAMBLE
It is the purpose of this memorandum to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered by this memorandum; to provide a document setting forth the understanding of the parties reached by meeting and conferring in good faith on wages, hours, and other terms and conditions of employment of the employees covered under this memorandum. Except as specifically amended by this memorandum, the City's Administrative Personnel Rules and Regulations remain in full force and effect.

ARTICLE II  RATIFICATION PROCEDURE
This is the joint recommendation on salaries, benefits, and working conditions of the bargaining representatives of the City of Escondido and the Teamsters Local 911 Maintenance and Operations Unit. When ratified by the members of the Teamsters Local 911 Maintenance and Operations Unit, and approved by the Escondido City Council, this document shall be the Memorandum of Understanding between the City and the Unit for the term set forth herein.

ARTICLE III  TERM
This Memorandum is a statement of the terms and conditions of employment for the Teamsters Local 911 Maintenance and Operations Unit, including salaries, benefits, and hours of work for the period July 1, 2021, through and inclusive of June 30, 2023. Salary and benefit modifications are effective on the dates specified.

ARTICLE IV  COMPENSATION POLICY
Section 1  Wages
A. Salary Range Increases: All classifications in the bargaining unit will have the base salary adjusted by the following amount the first full pay period in July of the following years.
Effective the first full pay period in July of 2021, the base salary range for all represented classifications shall be increased by two percent (4.0%).

Effective the first full pay period in July 2022, the base salary range for all represented classifications shall be increased by two percent (2.5%). The base salary range for all represented classifications shall be increased by an additional 0.5% in acknowledgement of discontinuance of City contributions to employees’ 401(k) plan.

B. Utility Classification Equity Adjustments:

The following Utility benchmark classifications that are below market median are eligible for equity adjustments:

- Control Systems Technician II
- Park Ranger II
- Plant Systems Technician II
- Wastewater Treatment Plant Operator II
- Water Distribution Technician II
- Water Treatment Plant Operator III

Each benchmark classification will be reviewed by June 1, 2022 and 2023, to reassess market median using comparable agencies which were previously agreed to by both parties. For Wastewater classifications, Valley Center will not be used as a comparable agency. The surveyed market median data will include any salary increases that the Maintenance and Operations bargaining unit and comparable agencies will receive on the pay period closest to July 1, 2022 and 2023. The survey information will be provided to the bargaining unit for review and discussion as needed the month prior (June) to implementation.

Following agreed upon survey results, classifications below market median will be eligible for an increase of 2.5% or 5.0% each full pay period in July 2022 and 2023. The salary adjustment will depend on the Utility classifications’ salary proximity (variance) to the surveyed median results for comparable agency classifications. Utility classifications 5% below median will be moved to the nearest salary grade (range) that results in an increase of 2.5% or 5.0%, and incumbents will remain on their current salary step. The change in
salary grade will not have an effect on the incumbent’s anniversary date or eligibility to move to the next merit step prior to the equity adjustment.

The salary adjustments will continue each full pay period in July 2022 and 2023 until the benchmark classifications are within 5% of median for the term of the contract. Utility classifications which are benchmarked from the above-stated classifications are also eligible for equity adjustments. Those classifications are:

- Cross Connection Technician
- Senior Cross Connection Technician
- Senior Plant Systems Technician
- Senior Wastewater Collections Technician
- Senior Wastewater Treatment Plant Operator
- Senior Water Distribution Technician
- Senior Water Treatment Plant Operator
- Wastewater Collections Technician
- Wastewater Treatment Plant Operator-in-Training
- Water Meter Reader
- Water Service Representative
- Water Treatment Plant Operator-in-Training

Section 2 Mechanic Salary Progression

Upon successful completion of requirements, as set forth by the Department Head, incumbent mechanics will progress within their classification.

Tuition reimbursement will be provided for these vocational mechanic courses upon approval of the Department Head and Director of Administrative Services.

Section 3 Salary Calculations

Salary calculations shall be based on 2,080 work hours a year. The current biweekly schedule shall continue to be in effect.

Section 4 Pay Periods

The current biweekly schedule shall continue to be in effect.
Section 5  **Overtime/Compensatory Time**

A. **Eligibility** - All classified miscellaneous employees shall be entitled to overtime as described below, except for exempt employees.

B. **Exempt Employees** - An exempt employee is an employee whose duties except them from overtime as defined by the Fair Labor Standards Act of 1939 as amended. Such employees shall be entitled to compensatory time on a straight-time basis with a maximum balance not to exceed 80 hours and/or overtime compensation at the rate of time and one-half when responding to emergency callback situations as defined in paragraph G of this section. Eligibility for overtime compensation shall be only for callback overtime.

C. **Overtime-General** - All eligible employees shall be paid overtime at the rate of time and one-half their regular rate of pay, including any special pay which is a part of their regular rate (e.g., shift premium) in accordance with paragraphs D, E, and F below; provided, however, exempt employees may opt for compensatory time off in accordance with the provisions of paragraph H.

D. **Overtime-Hours** - Overtime shall be paid after eight hours worked in a day, unless the regular workday is in excess of eight hours, or 40 hours worked in a week, and exclusive of meal time. Upon supervisory approval, employees may flex their work schedule within the same work week in order to remain within a 40 hour work week.

E. **Overtime-Hours Worked** - Holidays, vacation and sick leave shall constitute hours worked for the purpose of computing overtime.

F. **Overtime-Record Keeping** - Overtime shall be recorded and paid on the basis of 15 minute increments; such that for each full 15 minute period worked, the employee shall be compensated for one-quarter hour of overtime. Overtime, when reported for either compensatory time off or for payment, shall not be claimed for periods of less than one-quarter hour.

G. **Overtime-Callback** - A minimum of three hours pay at the rate of time and one-half shall be paid for each incident of callback overtime for all eligible employees. Callback overtime is unscheduled overtime as opposed to early start or extended day. Holidays, Saturdays, and
Sundays within a regularly scheduled work week, and/or attendance at regularly scheduled meetings and other activities such as City Council meetings, Planning Commission meetings, etc., shall not be considered callback overtime. Overtime, other than callback overtime, when worked, will be compensated either by time and one-half compensatory time off or time and one-half pay as set forth herein. All overtime must be requested by the supervisor and approved by the Department Head.

H. Compensatory Time Off - At the employee's option, overtime may be compensated by time off at the rate of time and one-half the hours worked. The compensatory time off is subject to the needs of the service and may not be taken without prior approval by the employee's supervisor on an approved form, nor shall it be taken in increments of less than one-quarter hour. Compensatory time balances shall not exceed 80 hours but may be maintained on an indefinite basis. When the maximum balance is reached, cash payment for overtime will be automatic.

I. Overtime-Holidays - Employees who work such a holiday shall receive compensation as follows:

1. Time and one-half pay for time worked, and, at the employee's option:
   a. Compensatory time off on a straight-time basis subject to the needs of the service and the prior approval of the employee's supervisor; or
   b. Straight-time pay for time worked.

J. Compensatory Time Payoff - There shall be an opportunity for a cash payoff of all or a portion of accrued compensatory time at the request and discretion of the employee on the first payday in October.

K. Floating Holiday Payoff - There shall be an opportunity for a cash payoff of all or a portion of accrued Floating Holiday hours credited to employees for working on designated holidays. Such payoff shall be at the request and discretion of the employee and shall be paid on the first payday in the month of October each year.
Section 6  Out-of-Class Compensation

An out-of-class assignment is a temporary assignment of a regular employee to an authorized classification at a higher level of pay which requires the employee to perform the duties of the higher classification. Employees directed to continuously perform the duties in a vacant higher level classification shall be entitled to a salary rate increase at five percent (5%) above their regular rate of pay, or the minimum salary of the out-of-class classification, whichever is greater, commencing after five consecutive work days in the out-of-class assignment, and for a period of no longer than six months at any one time. Compensation will be retroactive to the first day of the out-of-class assignment.

Once the initial out-of-class assignment terminates, the five consecutive work-day waiting period will be waived for any additional out-of-class assignments that occur within six months provided that the employee is working in the same out-of-class classification regardless of work area assignment.

Section 7  Shift Differential

A. Shift differential shall be paid only if one-half of the shift plus one-half hour is worked after 6:00 p.m. or before 7:00 a.m. Effective July 1, 2004, the shift differential will be $1.50 per hour for shift work performed within the current criteria.

B. Notwithstanding paragraph "A" above, Water Treatment Plant Operator classification shall be compensated in accord with the following schedule:

1. For shifts worked from 12:00 a.m. (midnight) to 12:00 p.m. (noon) and for shifts worked from 12:00 p.m. (noon) to 12:00 a.m. (midnight), shift differential shall be paid for the entire shift.

2. Notwithstanding the conditions for payment of shift differential set forth in Section 6 of this Article, nothing shall abridge the City's rights to modify work schedules in accord with the provisions of law, ordinance, rule or regulation, or other written agreements.
Section 8 Rincon Power Plant Relief Operator Compensation

A. Relief Operators will be housed in a City-owned facility at the Rincon Power Plant site.

The duty schedule for a Relief Operator will begin at 8:00 a.m. on Sunday of the relief week and conclude at 8:00 a.m. on Friday. Relief Operators may be required to adjust their work week (reschedule a Dark Friday) dependent upon the week in which they are assigned the relief duty.

The normal workday for the Relief Operator is from 8:00 a.m. until 10:00 p.m. Unpaid meal breaks during the workday are authorized for 30 minutes each (noon meal and dinnertime).

Overtime during the Relief Operator work schedule consists of the following:

<table>
<thead>
<tr>
<th>Day</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sunday</td>
<td>4 hours</td>
</tr>
<tr>
<td>Monday, Tuesday and Wednesday</td>
<td>5.5 hours</td>

</tbody>
</table>

B. An unpaid sleep period is authorized during each 24-hour work period; such sleep period shall extend from 10:00 p.m. until 6:00 a.m. If a response to an alarm is required during the sleep period, Relief Operators will be compensated for overtime as follows:

1. If interruption occurs three hours or less into the sleep period or within three hours or less of the end of the sleep period, the overtime will be paid for three hours at time and one-half.

2. If interruption occurs after three hours but before five hours has elapsed into the sleep period, the overtime will be paid for all eight hours at time and one-half.

Section 9 Safety Shoe Allowance

Safety shoe allowance for all represented classifications shall be $150.00 annually (effective July 1, 1997).

Section 10 Safety Shoe Replacement

Effective July 1, 2008, the replacement of lost or damaged footwear prior to the completion of the employee’s one year shoe allowance period may be reimbursed if the employee can show
reasonable cause for such loss or damage, and provided that the footwear to be replaced complies with the American Society for Testing and Materials (ASTM) safety standards. All premature, unusual wear or damage must be reported to the Safety Office Representative and supervisor immediately. The Safety Office Representative, in conjunction with the supervisor, will assess the shoe condition and, if warranted, will approve a reimbursement for replacement. The employee will need to supply a receipt of purchase to the Safety Office Representative to obtain reimbursement of a maximum of $150. If footwear is replaced within three months prior to the employee’s anniversary date, the employee will not be eligible for their $150 Safety Shoe Annual Allowance until the next anniversary date. The employee will continue to be eligible for replacement of footwear due to unusual wear and tear under the policy. A Policy regarding Safety Shoe Replacement was developed in 2008.

Section 11 Tool Maintenance Allowance
Effective July 1, 2008, Tool Maintenance Allowance shall be $800 per year for all Lead Mechanics and Equipment Mechanic I/II’s and $400.00 per year to all Equipment Service Workers.

The City agrees to pay $50.00 per pay period for verbal bilingual skills. An additional $25.00 per pay period shall be granted for written bilingual skills. The City reserves the right to establish eligible languages and the criteria for eligibility for the skill pay and shall verify through testing procedures developed by the City that employees are eligible and qualified. Verbal and written bilingual skill pay will be awarded based upon an established need as approved by the Department Head.

Section 13 Tree Trimmer Specialty Pay
Maintenance Technician I and II will be eligible for an additional $0.98 per hour when assigned as a lead tree trimmer for either eight or more consecutive hours. This specialty pay will not be granted during leave time such as sick leave, compensatory time off, or vacation.
Section 14  **Wastewater Plant Relief Operator Compensation**

City agrees to a stipend of $0.97 per hour for Wastewater Treatment Plant Operators during the time they actually work as a Relief Operator and experience a work schedule change.

Section 15  **Specialty Pay (Crew Leader)**

City agrees to a stipend of $0.97 per hour for Crew Leader pay, for Maintenance Technician II or equivalent who are designated as a Lead Maintenance Technician crew leader or equivalent, as assigned by a supervisor.

Effective pay period ending September 4, 2010, employees assigned as a crew leader for a minimum of five (5) hours will receive Crew Leader pay for the full shift they are at work, excluding any leave time. If the crew leader assignment is less than five (5) hours, the employee will only be compensated for the actual time worked as a crew leader.

Section 16  **Training Differential**

City agrees to a stipend of $0.97 per hour for employees designated as Trainers by the Maintenance and Operations Division for the time they are assigned training duties. Training differential will be compensated as a minimum of four hours or actual time assigned training duties within a workday. In order to remain eligible for such compensation, Designated Trainers will be required to maintain overall satisfactory job performance.

Section 17  **Confined Space Entry Team**

The City agrees to implement Confined Space Entry Teams to be composed of varied classifications represented by Local 911. Eligible classifications will have current and continuing work experience and skills in the appropriate Utilities and Public Works Divisions. Team members, upon successful completion of training, will receive a differential of $0.83 per hour for all hours worked. While assigned to the team, and to continue receiving specialty pay, team members must maintain satisfactory job performance in their normal work assignment as well as continue to meet all requirements of the Confined Space Entry Team.

Section 18  **Wastewater Treatment Plant Duty Operator Pay**

The following classifications are eligible for Duty Operator Pay:
• Wastewater Treatment Plant Operator II’s with a State of California Grade III Certification or higher.
• Wastewater Treatment Plant Operator III’s assigned as the Duty Operator.

Section 19 Water Treatment Plant Duty Operator Pay

**Mechanic:** Equipment Mechanic II and Lead Mechanic personnel who receive State of California Fire Mechanic II certification; this certification pay is open to all Equipment Mechanic II and Lead Mechanic personnel. Management will undertake an equitable effort to ensure all eligible personnel have the opportunity to participate in the training with due consideration for availability of training budget funds and Fleet Services Division workload. Considering that certification as a State Fire Mechanic provides skills that apply to a wide variety of the City’s Fleet Services equipment, such certification will not result in employee work assignments restricted to Fire Apparatus only. The City agrees to provide certification pay for Equipment Mechanic II and Lead Mechanic personnel who obtain the State of California Smog Certification. For the Fire Mechanic Certification and the Smog Certification, an employee is eligible for only one level of certification pay.

Section 21  Emergency/Unscheduled Overtime Duty Meal Compensation

Employees assigned to emergency or unscheduled overtime have the option to receive a meal paid by the City if the actual time worked is a minimum of two hours, and the actual time worked during the overtime work period takes place in the course of normal meal times. Meals will be provided at City designated restaurants. Employees who meet the criteria have the option to be provided with a paid meal not to exceed the following dollar amounts, including tax and gratuity:

- **Breakfast** - $15.00
- **Lunch** - $15.00
- **Dinner** - $35.00

Employees choosing a meal which costs more than the designated meal allowance shall pay the difference between the allowance and the cost of the meal, and shall submit an individual receipt to their supervisor on the following work day. Refer to the Emergency/Unscheduled Overtime Duty Meal Compensation Policy for more information.
Section 22  **Welder Pay**

Effective pay period ending September 4, 2010, the City will establish a welding test to fill two (2) welder pay positions – one within the Water Division and one within the Collections Division of the Utilities Department. Section 23  **Concrete Crew Specialty Pay**

Maintenance Technicians will be eligible for an additional $0.98 per hour for all hours assigned to the concrete crew. This specialty pay will not be granted during leave time such as sick leave, compensatory time off, or vacation.

**ARTICLE V  EMPLOYEE BENEFITS PROGRAM**

Section 1  **Health Insurance**

A.  **Health Insurance Committee**

While this memorandum is in force, the Teamsters Local 911 Maintenance and Operations Unit and the City agree to delegate to the Health Insurance Committee (HIC) the task of recommending to the City Council the health insurance options that will be made available to City employees.

The Teamsters Local 911 Maintenance and Operations Unit and the City agree, in good faith, to make every possible attempt to provide a health plan cost which is beneficial to all employees and their dependents. The City Council may overrule and will not be bound by the recommendation of the HIC.

Membership of the HIC is set forth as follows:

Each bargaining unit with at least 25 or more eligible employees shall have one representative on the committee. The City's unclassified group shall provide a number of representatives equal to the total number of representatives provided by all the bargaining units.
B. **Health Insurance**

The Health Insurance Committee (HIC) will commence its annual review of medical and dental insurance plans and the related designs of the various plans available to employees. Consistent with the MOU, the HIC may consider changes in health and dental plan design that may increase the cost to covered employees in such areas as doctor visit co-pays, prescription co-pays, etc. throughout the term of this agreement. The City will continue to pay the lowest cost “HMO” medical plan.

Beginning January 1, 2013, and thereafter, any medical insurance premium increases will be shared equally by the City and the employee for the lowest cost HMO medical plan. Employees choosing more expensive medical plans are required to pay the increased cost between that plan and the lowest cost plan. The employee’s share of any medical insurance premium increases will be added to the employee’s 2012 insurance contribution.

**The current monthly HMO rates, beginning January 1, 2021:**

<table>
<thead>
<tr>
<th>HMO (Currently Kaiser):</th>
<th>City</th>
<th>Employee</th>
<th>Employee Only</th>
<th>$467.94</th>
<th>$102.56 per month</th>

</tr>
<tr>
<td></td>
<td>Family</td>
<td></td>
<td>$1,321.56</td>
<td>$292.96 per month</td>

</tr>
</tbody>
</table>

Employees choosing a more costly level of medical coverage will participate at the above rates, and also pay the differential cost for the more expensive premium level.

The City reserves the right to document, to the City's satisfaction, the status of each employee.

C. **Health Insurance Premium Deductions**

The City will reserve the right to deduct health insurance premiums 24 times a year.

D. **Dual Health Insurance Coverage**

The City presently purchases health insurance on behalf of employees at various levels (employee, employee plus one, family). If an employee waives coverage at any level, a savings results. To recognize the savings, the City and bargaining unit agree to rebate to
the employee the amount of $75.00 per month (if a City employee is the spouse/partner and
receives a flexible benefit, the rebate does not apply).

The employee is eligible to enroll in the rebate program at any time during the year. The
first rebate will be paid within 30 days of when the employee provides proof of alternative
coverage to Benefits Division staff with the completed enrollment/waiver form. Once
coverage is waived, employees cannot drop the rebate and re-enroll in the health plan
unless allowed by law.

By waiving coverage, the employee and/or spouse/ domestic partner acknowledges in
writing that they will not be able to add the deleted persons until open enrollment.

When both spouses/domestic partners are City employees, only one spouse/domestic
partner will receive the $75.00 monthly waiver benefit; and if they are subscribers to the
highest cost provider, they will be required to pay the higher rate.

E. Domestic Partner Benefits

Consistent with Federal and/or State Law, the City will provide Domestic Partner benefits.

F. Same Sex Marriage Benefits

Consistent with Federal/State Law, the City will provide same-sex marriage benefits.

Section 2 Dental Insurance

The City agrees to pay the full cost of the employee-only dental insurance coverage for the term
of this agreement, except as stated below.

Effective January 1, 2013 and thereafter, any premium increase over the 2012 employee-only
dental coverage rates will be shared 50/50 between Teamsters and the City. If a rate increase is
realized for the January 1, 2013 rates, the premium cost-share increase will be added to the
employees’ 2012 insurance contribution.

Employees may opt to purchase dependent dental insurance through payroll deduction.

For the calendar year 2021, employee participation in dental coverage shall be:

Dental DMO

Employee Only $0.64 per month
Employee + One  $18.70 per month
Family  $38.34 per month

**Dental PPO**
Employee Only  $0.00 per month
Employee + One  $41.94 per month
Family  $102.88 per month

### Section 3  Workers’ Compensation

Employees in a Workers’ Compensation status may select additional benefits to be paid from employee’s accrued leaves, consistent with disability benefits for employees in a non-industrial disability status.

### Section 4  Family Medical Leave Act (FMLA)/California Family Rights Act (CFRA)

**Disability Leaves**

Short Term and Long Term disability insurance premiums shall be deducted from salary.

Coordinated benefits for non-work related disabilities will take place under the following administrative guidelines:

- Employees will be provided FMLA/CFRA according to the Federal and State provisions.
- Employees will be required to accept disability benefits upon determination of eligibility.
- The City will make every possible effort to provide light duty assignments for employees in a disability status. Employees in a work-related disability status will have priority for light-duty assignments. Administrative Directive #26 defines City policy relative to light duty assignments.
- Short-term Disability coverage will be coordinated with Long-term Disability coverage.
- Employees will continue to accrue vacation, sick leave and holiday pay during the twelve-week FMLA/CFRA period and for three months thereafter. Vacation, sick leave and holiday compensation will cease to accrue after the six-month period.
- Employees may supplement disability insurance benefits with accrued benefits up to either 80% or 100% of regular payroll during the short-term disability period (twelve
The level of supplementation cannot be changed during the short-term disability period.

- Upon receiving long-term disability benefits, the employee may choose to supplement disability benefits with accrued benefit up to 80% or 100% of regular payroll. During the long-term disability period, the employee may not change their level of supplementation of payroll.

- Medical, Dental, Life and Dependent Life insurances will be paid by the City for a period not-to-exceed nine months after the twelve-week FMLA/CFRA period has elapsed (total of twelve months).

Exceptions to this policy will be considered on a case-by-case basis by the City Manager.

Section 5  Life Insurance
The City agrees to provide term life insurance coverage in the amount of $50,000 for employee-only coverage. Dependent coverage shall remain unchanged from that in effect on the date of this Memorandum of Understanding. Employees may opt to purchase additional group term life insurance benefits for employees and dependents through payroll deduction.

Section 6  California Public Employees' Retirement System (CalPERS)
Per Government Code 20516 CalPERS Cost Sharing, all Class CalPERS employees (Tier 1 and Tier 2 – Non PEPRA) in the bargaining unit will participate in additional cost sharing of 1%, pre-tax; for a total of 3% over the term of this agreement. The first 1% shall commence effective upon the contract amendment between the City and CalPERS, the second and third percentages shall commence the first full pay period in July of the two following years. The additional cost sharing requires a contract amendment between the City and CalPERS, and implementation will occur in 2018 as soon as administratively possible once approved by CalPERS.

An election of Tier 1 and Tier 2 employees by secret ballot is required for CalPERS cost sharing and implementation of CalPERS contract amendment. This process will be conducted annually.
The City’s goal is to retain and recruit well-qualified members for the City Team. Therefore, the City implemented changes to employee retirement benefits over several contracts. The currently negotiated CalPERS benefits are:

A. Tier 1 Retirement Benefit (Classic Members). The City will continue to provide CalPERS 3% at 60 retirement benefit.

- The City and the Teamsters Maintenance and Operations Bargaining Unit agree that effective June 26, 2011 (pay period ending July 9, 2011), current Maintenance and Operations Bargaining Unit employees will make 100% of the statutory employee contribution to CalPERS, which will be applied to the Employees’ Contribution and is currently eight percent (8.0%). Vacation may be taken the first day following the completion of six months and may never be used in units of less than one hour.

A. The times during an accrual year at which an employee may take their vacation shall be determined by the Department Head with due regard for the wishes of the employee and particular regard for the needs of the personnel system. In order to receive compensation while absent on sick leave, the employee shall notify their immediate superior or their Department Head prior to or within two hours after the time set for beginning their daily duties, or as may be specified by the head of their department. In the event that an employee has applied for sick leave use for four or more consecutive scheduled working days, the City may require a physician's certification as to the existence of a sickness or injury that prevents the employee from working, and an approval of the employee's intended return to work. The City Manager may, however, require such certification or evidence the City deems necessary regarding sick leave use at any time.

"Evidence" as used in the prior sentence includes but is not limited to:

A. An opinion from the treating physician as to the expected convalescent period, if any;
B. Specific physical restrictions, if any, which bear on the employee's ability to perform his/her usual and customary duties or modified work assignments;
C. A second opinion on the employee's condition from a physician or physicians of the City's choice (and at City's expense) based upon independent medical evaluation(s) and/or review of the employee's physician's report.

Exceptions to exceed the limit are subject to consideration by the City Manager on a case-by-case basis. In no event shall an employee be granted sick leave time to oversee children who are not ill (baby-sitting).

In no case will the City provide less family leave than that which is set forth in State and Federal law.

Family Leave: Effective January 1, 2016, the Kin Care Leave Law (Labor Code Section 233) was modified per SB 579. Per the Kin Care Leave Law and the City of Escondido, employees may use up to one year of their sick leave accruals each calendar year for the following purposes:

Child-Related Activities Leave: Employees can take up to 40 hours per calendar year (up to 8 hours per month) for child-related activities per Labor Code Section 230.8. Employees must use their available vacation, compensatory time, or holiday leave accruals and provide reasonable notice to their supervisor for the need of such leave.

Bereavement Leave: Employees may use up to one year of their sick leave accruals each calendar year for situations when an employee’s presence is required elsewhere due to bereavement for members of the employee’s immediate family or individuals whose relationship
to the employee is that of a dependent or near dependent, member of the immediate household, domestic partner, or a person who is of significance to the employee.

Exceptions to exceed the authorized hours for family leave or bereavement are subject to consideration by the City Manager on a case-by-case basis. In no event shall an employee be granted sick leave time to oversee children who are not ill (baby-sitting).

In no case will the City provide less family leave than that which is set forth in State and Federal law.

Section 4  Termination

Employees who terminate for any reason, including retirement, shall not receive cash payment for accrued sick leave. Further, all eligibility for sick leave with pay shall be canceled upon separation of the employee from the City service, provided, however, that if such separation is by layoff, this accumulated eligibility may be restored to the employee in whole or in part by the City Manager upon reemployment.

Section 5  Illness During Authorized Vacation

Employees who are on authorized vacation and become ill, or otherwise disabled through accident not a result of vicious habits or intemperance, may charge such sickness or disablement to credited sick leave, provided a doctor's certificate is presented to the Director of Administrative Services indicating the total number of days to be so charged.

Upon verification of military orders, employees who are members of the military reserve or National Guard who have been called to active duty during national security, after the standard Military Leave Policy, shall receive the difference between the amount the employee would have received from their regular City gross biweekly wage (not including overtime) and the amount the employee receives from the military.

The City Manager may grant a regular or probationary employee leave of absence without pay, seniority, or benefit accruals not to exceed six months. For special educational purposes, however, the City Manager may grant leaves of absence not to exceed one year, without pay, provided such study is related to City employment. When such special educational leave of absence is granted, the employee must agree in writing that they will return to regular, full-time employment with the City for a minimum of one year. No such leave shall be granted except upon written request of the employee, setting forth the reason for the request, and the approval will be in writing. Upon expiration of a regularly approved leave or within a reasonable period of time after notice of return to duty, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, or within a reasonable time after notice to return to duty, shall be cause for discharge.
When an employee is in a leave of absence without pay status due to having exhausted all accrued sick leave and vacation credit, their revised hire date or date of promotion for purposes of merit increases, sick leave, and vacation credit, will be the number of working days absent added to their former hire or promotion date, whenever such leave exceeds 30 consecutive working days.

Witness leave will not be granted to employees who are litigants in civil cases or defendants in criminal cases. Employees shall provide the Personnel Division with a copy of the legal subpoena and other documentary evidence of service as required by the City.

ARTICLE XV  ATTENDANCE

Section 1  Attendance

Except as the City Manager requires to the contrary, all offices of the City shall be open for business from 8:00 a.m. until 5:00 p.m. on all days except Saturdays, Sundays, and the designated holidays as set forth in this Memorandum of Understanding.

All departments shall keep daily attendance records of employees which shall be reported to the Finance Department in the form and on the dates specified.

Employees shall, except as this Memorandum of Understanding provides to the contrary, work at least 40 hours per week. An employee whose duties require an irregular work schedule shall work according to a schedule recommended by their supervisor and/or Department Head and approved by the City Manager.

All employees shall be on duty at the times required by this Memorandum of Understanding with respect to hours, days of work, and leave. However, an employee who is absent without leave and who fails to return to duty within 24 hours after receiving written notice to do so shall be deemed to have resigned from their position. Said alternate work schedule may change periodically based upon City service demands and the periodic reevaluation by the respective Department Head, which may be at the request of the employees and/or their supervisor(s). Nothing in this Article provides for or implies any additional compensation or benefit for work on an other than normal work week, work day, or work schedule.

Section 5  **Rest Periods**

Employees rest periods will normally be provided to employees at the rate of 15 minutes for each four hours worked. Further, except under unusual circumstances, rest periods will not be taken during the first or last hours of the work day. Notwithstanding the above, when public or operational necessity or efficiency of the service are deemed by the City to require other than full freedom from the job assignment and/or less than 15 minutes rest time, such will be prescribed by the City. Since rest periods are paid time already, nothing in this section provides for or implies any additional compensation or benefit if a rest period is not received.
Section 6  **Absenteeism**

Prior to implementation of disciplinary procedures leading to termination, the City shall make a good faith effort to make a performance referral to the Employee Assistance Program. The final determination shall be made by the City subject to the normal disciplinary review process.

**ARTICLE XVI    AMERICANS WITH DISABILITIES ACT (ADA)**

The bargaining unit recognizes that the City has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions. The employee's bargaining unit will be notified of these proposed accommodations prior to implementation by the City.

Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the Grievance/Arbitration procedure.

Prior to disregarding any provision of this agreement in order to undertake required accommodations for an individual protected by the Act, the City will provide the business representative of the bargaining unit with written notice of its intent to disregard the provision, and if requested will allow the business representative of the bargaining unit the opportunity to discuss options to disregarding the agreement.

D. At all times, the granting of paid leave preference shall be approved by the Department Head with regard for the needs of the service and such leave shall be controlled at the department level.

Section 3 Layoff Procedure

Whenever it becomes necessary to reduce the number of employees in any classification, the order of layoff shall be as follows:

(1) employees with provisional status;
(2) employees with probationary status; and
(3) employees with regular status in order of seniority, the employee with the shortest service in total City service in any classification is to be laid off first.

In the event that two or more employees have identical total City service seniority, the order of layoff will be determined by length of continuous service in the affected classification. Whenever two or more employees have identical service in the affected classification, the order of layoff shall be determined by the City Manager on the basis of performance.

Employees to be laid off in a particular classification have the right to demote to a lower job previously performed for which they meet the minimum qualifications and the employee is capable of performing the essential functions of the position.

The name of each laid off employee shall be placed on a reemployment list and shall be given the first opportunity to return to regular employment in reverse order of layoff.

In the event of any layoffs, the City agrees to meet and confer with employees to the extent required by law.

Section 4 Implementation of Agency Shop

Effective April 17, 2001, and based on a valid election among Bargaining Unit members, Agency Shop is implemented as shown on Exhibit “B.”
ARTICLE XX  GRIEVANCE PROCEDURES

Section 1  Grievance Procedure

In the belief that the resolution of grievances is a constructive management action, a grievance procedure is hereby established. Such a procedure will give regular employees assurance that the City recognizes their right to be heard and assist them in achieving job satisfaction. The purpose of this procedure is to provide a just and equitable method for the resolution of grievances or complaints without prejudice, coercion or reprisal.

I. The *general grievance procedure* is the process by which the validity of a grievance is determined.

Section 3  General Provisions

A. E. By mutual written agreement, a grievance may revert to a prior level for reconsideration.

F. The employee shall be present at all steps of the grievance or complaint procedure.

G. All communications, notices and papers required to be in writing shall be served personally or by the United States Postal Service.

   2. There shall be no solicitation of grievances or employee organization membership.
   3. The investigation shall be conducted in a reasonable amount of time and expeditiously with due regard for the work requirements of the City.

   5. Entry will not be permitted if it would unreasonably interfere with or delay City work.
   6. All safety regulations relating to the presence or conduct of persons at the job site shall be complied with.

5. The decision of the City Manager shall be final, except where the grievance has resulted from a disciplinary action, in which case the employee may appeal his/her case to an Administrative Law Judge as permitted in these rules.

E. Nothing in this section shall prohibit more expeditious handling of the grievance.

Section 7 General Grievances

A. In order to provide an effective mechanism whereby disagreements between the employee organization and management concerning items or procedures relating to the relationship between the City and the employee organization may be effectively resolved, the following general grievance procedure is hereby established.

1. Where the employee organization has reason to believe that management is not correctly interpreting or applying a relevant provision of a current Memorandum of Understanding, the employee organization may file a general grievance by requesting in writing that a meeting be held with the authorized representatives of the City who have authority to make effective recommendations for the resolution of the matter. Such written request shall set forth in detail the facts giving rise to the general grievance and shall set forth the proposed resolution sought. Within 15 days of receipt of

facts giving rise to the general grievance and all supporting documentation necessary
for City Council consideration.

4. Management shall calendar on the City Council agenda such request and supporting
documentation within 30 days.

5. It shall be the option of the City Council to:
   a. Refuse to hear the appeal, or make a decision on the documentation submitted;

Re: Side Letter to the Current Memorandum of Understanding Relating to Agency Shop Provisions

Dear Chester:

This letter will serve as a side letter to the Memorandum of Understanding implementing provisions of Agency Shop in the City of Escondido Maintenance and Operations Unit. Based on the outcome of the Agency Shop election conducted on April 17, 2001, the following provisions will be incorporated into the MOU:

1. Employees from the City of Escondido Maintenance and Operations Unit shall participate in an Agency Shop arrangement.

2. Employees shall have the right to voluntarily join or refrain from joining Teamsters Local 911. Employees who are covered by the terms of this agreement and who choose not to join the Union are required, as a condition of their employment, to pay a monthly service fee ("Agency Fee") to the Union for the purpose of aiding the Union in defraying costs in connection with its legal obligations and responsibilities as the Exclusive Bargaining Agent for the Maintenance and Operations Unit.

3. The Agency Fee shall be payable through payroll deduction two pay dates per month. The sum of the Agency Fee shall not exceed the membership dues paid by those employees who voluntarily choose to join the Union. Other than payment of this Agency Fee, those employees who do not choose to join the Union shall be under no further obligation or requirements of any kind from Local 911.

4. Furthermore, as a condition of employment, all employees covered by this agreement shall on the 30th day following the beginning of such
employment or the effective date of this amendment to the MOU, whichever is later, pay the established Agency Fee.

5. The City and Teamsters Local 911 agree that the charities from which religious-objector employees paying the Agency Fee may choose for the Agency Fee proceeds to be paid, are:
   - The City of Escondido Employee Contribution Club
   - The Escondido Boys and Girls Club
   - The Palomar Family YMCA.

6. The City of Escondido agrees to collect the Union dues and the Agency Fee via payroll deduction and remit to Local 911 following each of the first two payroll dates of each month.

7. Teamsters Local 911 agrees to remit to the charities selected by the religious-objector Agency Fee-paying employees by the 30th day of the month following the month in which the fees are received by Local 911.

8. Considering that employees, as a condition of their employment with the City of Escondido, are required to pay the Agency Fee, and that the City of Escondido is prepared to deduct the Agency Fee from employee pay, Teamsters Local 911 agrees to hold the City of Escondido harmless against any liability arising from any claims, demands or other action relating to the City's compliance with the Agency Fee obligation, consistent with Government Code Section 3502.5(b)(2).

Agreed to this date 5/15/01:
