

2017 CDBG Request for Proposals: Questions and Answers

Q. Is the funding amount \$ 227,250 – as mentioned on Page 1?

A. The 2017-2018 Federal Budget is still under discussion. \$227,250 reflects the amount of CDBG funds for public services the City anticipates receiving. If the City receives the funding anticipated, the City would be able to contract out \$227,000.

Q. Do you have any information/suggestions on the funding range for proposed programs/projects?

A. The City plans on expending up to 15% of the 2017-2018 allocation of CDBG funds for public services which is \$227,250. Most recent awards have ranged up to \$25,000 or less. Funding proposals for programs or projects must be reasonable.

Q. Are you planning on funding several programs/projects with this funding?

A. Yes.
