The Climate Action Plan (CAP) will be our roadmap for reducing greenhouse gas emissions to meet state requirements while meeting our goals of maintaining community character and creating livable and sustainable neighborhoods.

**We need your input.** Everybody has a role in climate action planning. We will work together to create a vision for the future that reflects our most important values and commonly-shared priorities.

Follow these three (3) simple steps:

**STEP 1: Learn about climate action planning and why it is important.**

**STEP 2: Identify issues and opportunities and determine what changes are needed.**

**STEP 3: Provide feedback on potential solutions.**

Please visit the informational station boards, ask questions, and complete the questions on the reverse side of this Passport to share your input with us.

Submit your input TODAY and ask your friends and neighbors to get involved.

Your feedback will be used to guide City decisions in the future!
