### **MASTER AND PRECISE DEVELOPMENT PLAN, CONDITIONAL USE PERMIT, ZONE CHANGE AND SPECIFIC ALIGNMENT PLAN – PL 20-0447:**

**REQUEST:** The project involves a Master and Prevised Development Plan, and Conditional Use Permit for the development of a proposed Carvana Fulfillment Center / Vending Machine auto dealership, which was previously occupied by the Talone Meats/North County Packing Company. The project consists of an approximately 5,800 SF, eight-(8) tier glass and steel tower structure up to 75 feet in height. All existing remaining components of the previous building and site improvements would be removed. The Master Plan also includes a request to allow an increase in allowable wall signage for the project. The existing General Industrial (M-2) zoning designation would be changed to Planned Development-Industrial (PD-I). The project includes a Specific Alignment Plan (SPA) for Hale Avenue to modify the design of the street frontage and intersection of Hale Avenue and Tulip Street to include dual southbound left-turn lanes. The improvements would add turn lane capacity to the southbound leg of the intersection without removing existing southbound through lanes, therefore providing additional storage space for southbound left-turning vehicles. The site would be accessed via two project driveways. The northern driveway will allow only right-in right-out movements, and the southern driveway would form the west leg of the N Hale Avenue/Tulip Street intersection, allowing all movements. The proposed class II bike lane also would be eliminated across the project frontage. The proposal also includes the adoption of the environmental determination prepared for the project.

**PROPERTY SIZE AND LOCATION:** The approximately 1.85-acre site is located along the northern side of Hale Avenue, east of Interstate 15, west of W. Washington Street and NCTD/Sprinter line, addressed as 559 S. Hale Avenue (APN 232-061-25).

**ENVIRONMENTAL STATUS:** The project is Categorically Exempt in conformance with California Environmental Quality Act (CEQA) Guidelines Section 15332, "In-Fill Development Projects."

If you challenge this item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing.

### **ZONING CODE AMENDMENT – PL20-0528 (UNCODIFIED CODE AMENDMENT):**

**REQUEST:** The City Council adopted Urgency Ordinance No. 2020-12 on May 20, 2020 to reduce outdoor retail regulations, parking regulations, and signage restrictions in response to COVID-19. The series of business relief measures was referred to, in part, as the Escondido Business Recovery Strategy. The business relief measures were effective for 90 days. Urgency Ordinance No. 2020-12 was extended by the City Council on August 19, 2020 through Urgency Ordinance No. 2020-21. If City Council does not extend Urgency Ordinance No. 2020-21, it will expire and lapse on the 90<sup>th</sup> day after its adoption. Rather than extending business relief measures by urgency ordinance every 90 days, this proposal includes a term that is tied to the duration of the state of local emergency pertaining to COVID-19. This proposal includes temporary, uncodified amendments to the Escondido Zoning Code. The proposal also includes the adoption of the environmental determination prepared for the project.
