NOTICE OF PUBLIC HEARING Video Conference

The Escondido Planning Commission will hold a public hearing, via video conference, in the City Council Chambers, Escondido City Hall, 201 N. Broadway, Escondido, California at 7:00 p.m. Tuesday evening, August 25, 2020, to consider the item listed below:

Pursuant to Governor Newsom's Executive Orders, including N-25-20 and N-29-20: Certain Brown Act requirements for the holding of a public meeting have been temporarily suspended and members of the Planning Commission and staff will participate in this meeting via teleconference. In the interest of reducing the spread of COVID-19, members of the public are encouraged to submit their agenda and non-agenda comments online at the following link: <https://www.escondido.org/public-comment-form.aspx>. Council Chambers will be closed, no public allowed.

Public Comment: To submit comments in writing, please do so at the following link: <https://www.escondido.org/public-comment-form.aspx>. If you would like to have the comment read out loud at the meeting (not to exceed three minutes), please write "Read Out Loud" in the subject line. All comments received from the public will be made a part of the record of the meeting.

The meeting will be available for viewing via public television on Cox Communications Channel 19 (Escondido only). The meeting will also be live streamed online at the following link: <https://www.escondido.org/> and click on the graphic showing "live stream - meeting in progress".

SPECIFIC PLAN AMENDMENT, GENERAL PLAN AMENDMENT, PLANNED DEVELOPMENT PERMIT (MASTER AND PRECISE DEVELOPMENT PLAN), TENTATIVE SUBDIVISION MAP, GRADING EXEMPTIONS, SPECIFIC ALIGNMENT PLANS, AND DENSITY TRANSFER AGREEMENT – SUB 18-0011, PHG 18-0049, and ENV 18-0009:

REQUEST: The project involves a Specific Plan Amendment (Downtown Specific Plan), General Plan Amendment (Mobility and Infrastructure Element), Planned Development Permit (Master and Precise Development Plan), Tentative Subdivision Map, Grading Exemptions, Specific Alignment Plans (N. Fig Street and Valley Boulevard) and a Density Transfer Agreement for the redevelopment of the former Palomar Hospital Downtown Campus and surrounding properties. The project proposes to construct 510 residential dwelling units (258 for-rent apartments, 90 for-rent senior apartments, and 162 for-sale row-homes and villas) and up to 10,000 square feet of commercial/office space on property currently occupied by the hospital buildings and surrounding medical and general office buildings. All existing buildings on the project site would be demolished in order to accommodate the proposed project. The Specific Plan Amendment would eliminate the requirement for ground-floor commercial uses at the project site through a Planned Development Permit process. The General Plan Amendment would downgrade the roadway classification for a portion of N. Fig Street from "Collector" to "Local Collector." The Planned Development Permit would allow ground-floor residential uses on the property, as well as a reduction in the number of required parking spaces. The Tentative Subdivision Map would allow for the creation of 510 residential condominium units. Grading exemptions are required for fill slopes along the eastern side of the property and at the main project entryway (at the corner of Valley Boulevard, E. Valley Parkway, and N. Hickory Street). The Specific Alignment Plan for Valley Boulevard would accommodate a change to one-way (northbound-only) traffic, with on-street parking on both sides. The Specific Alignment Plan for N. Fig Street is necessary as a result of the reduction in the roadway classification. The Density Transfer Agreement would allow the transfer of 15 dwelling units from the City's downtown Density Credit Pool to the property west of Valley Boulevard (senior apartment building). The proposal also includes the adoption of the environmental determination prepared for the project.

PROPERTY SIZE AND LOCATION: The approximately 13.8-acre is located at the eastern end of the Downtown Specific Plan, on both sides of Valley Boulevard, and generally bounded by E. Valley Parkway to the north and E. Grand Avenue to the south, and is comprised of ten parcels (APNs 229-450-06-00, 229-450-05-00, 229-442-18-00, 229-442-04-00, 229-442-03-00, 229-442-01-00, 230-163-01-00, 230-163-02-00, 230-163-05-00, and 230-163-04-00). The reference address is 555 E. Valley Parkway.

ENVIRONMENTAL STATUS: An Environmental Impact Report has been prepared for this project.

If you challenge this item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing.
