## Table of Contents

1. **Introduction**  
   1.1 Setting  
   1.2 Planning Context  
   1.3 Specific Plan Overview  
   1.4 Authority for the Plan and the Relationship to the City’s General Plan  
   1.5 Relationship to Other Documents  
   1.6 Plan Contents  
   1.7 How to Use This Plan

2. **Vision, Goals & Concepts**  
   2.1 Vision for South Centre City  
   2.2 Concepts for Change  
   2.3 Specific Plan Goals and Concepts  
     2.3.1 Land Use - Goals and Concepts  
     2.3.2 Design - Goals and Concepts  
     2.3.3 Mobility - Goals and Concepts  
     2.3.4 Parks, Recreation, and Open Space - Goals and Concepts  
     2.3.5 Economic Prosperity - Goals and Concepts  
     2.3.6 Sustainability - Goals and Concepts

3. **District Plans**  
   3.1 Overview  
   3.2 How to Use this Chapter  
   3.3 Escondido Boulevard District  
     3.3.1 Setting  
     3.3.2 Escondido Boulevard District Vision  
     3.3.3 Escondido Boulevard District Concepts  
     3.3.4 District Specific Development Standards and Design Guidelines  
   3.4 9th Avenue Overlay District  
     3.4.1 Setting  
     3.4.2 9th Avenue District Vision  
     3.4.3 9th Avenue Overlay District Concepts  
     3.4.4 District Specific Development Standards and Design Guidelines  
   3.5 Quince Street District  
     3.5.1 Setting  
     3.5.2 Quince Street District Vision  
     3.5.3 District Specific Development Standards and Design Guidelines  
   3.6 Orange Street District  
     3.6.1 Setting  
     3.6.2 Orange Street District Vision  
     3.6.3 Orange Street District Concepts  
     3.6.4 District Specific Development Standards and Design Guidelines  
   3.7 13th Avenue Corners District  
     3.7.1 Setting  
     3.7.2 13th Avenue Corners District Vision  
     3.7.3 13th Avenue Corners District Concepts  
     3.7.4 District Specific Development Standards and Design Guidelines  
   3.8 Felicita Commercial District  
     3.8.1 Setting  
     3.8.2 Felicita Commercial District Vision  
     3.8.3 Felicita Commercial District Concepts  
     3.8.4 District Specific Development Standards and Design Guidelines
3.9 Southern Entry District
   3.9.1 Setting
   3.9.2 Southern Entry District Vision
   3.9.3 Southern Entry District Concepts
   3.9.4 District Specific Development Standards and Design Guidelines

3.10 West Mercado District
   3.10.1 Setting
   3.10.2 West Mercado District Vision
   3.10.3 West Mercado District Concepts
   3.10.4 District Specific Development Standards and Design Guidelines

4. Land Use
   4.1 Overview
   Figure 4-1: Specific Plan Area Map
   4.2 Land Uses
      Table 4.1: Summary Table - Permitted Land Uses for All Districts/Subareas
      Table 4.2: Permitted Land Uses for Specified Districts/Subareas

5. Development Standards & Design Guidelines
   5.1 Overview
   5.2 How to Use this Chapter
      Table 5.1: Summary Table - General Building Height, Setbacks, and Coverage Standards for All Districts/Subareas
      Table 5.2: General Building Height, Setbacks, and Coverage Standards for Specified Districts
   5.3 Development Standards and Guidelines
      5.3.1 Building Placement and Orientation
      5.3.2 Building Form and Scale
      5.3.3 Architecture
      5.3.4 Courtyard, Paseos, Outdoor Dining and Publicly Accessible Open Space
      5.3.5 Parking, On-Site Circulation, and Multi-Modal Transportation Linkages
      5.3.6 Alleys and/or Parking Behind a Building
      5.3.7 Landscaping, Hardscape, Art and Private Interface with Public Streetscape
      5.3.8 Fences and Walls
      5.3.9 Lighting
      5.3.10 Trash Enclosures/Refuse Areas
      5.3.11 Security-Oriented Designs
      5.3.12 Multi-Family and Mixed Use Development
   5.4 Development Standards for Special Uses
      5.4.1 Makerspace - Manufacturing
      5.4.2 Makerspace - Limited
      5.4.3 Minor and Major Home Occupation Permit
      5.4.4 Artisan Loft/Live-work

6. Mobility
   6.1 Overview
   6.2 Elements of the Mobility Network
      6.2.1 Walking
      6.2.2 Biking
      6.2.3 Transit
      6.2.4 Motor Vehicles
      Figure 1: Existing and Proposed Bicycle Facilities and Proposed Recreational Trails
      Figure 2: Proposed Roadway Configuration
      Figure 3: Recreational Trail - Intersection Treatment
7. Parks, Recreation & Open Space
   7.1 Overview
   Figure 1: Pine Street Pathway Concept
   7.2 Recreational Network
   Figure 2: Specific Plan Area highlighting Pine Street Pathway
   7.2.1 Elements of the Recreational and Open Space Network
   7.2.2 Green Infrastructure
   7.3 Safety
   7.4 Augmented Reality Gaming

8. Sustainability
   8.1 Overview
   8.2 Types and Uses
      8.2.1 Bio-Retention and Infiltration
      8.2.2 Permeable Pavement
      8.2.3 Green Roofs and Vertical Gardens
      8.2.4 Water Harvesting
   8.3 Green Infrastructure in Public Projects in South Centre City
      8.3.1 Overview
      8.3.2 Conceptual Recommendations

9. Implementation
   9.1 Overview
   9.2 Administration
      9.2.1 Design Review and Permit Process
      9.2.2 Public Hearing Process
   9.3 Authority for the Plan and Relationship to the City’s General Plan
   9.4 Infrastructure
   9.5 Financing

10. Appendices
    10.1 Appendix A - Definitions
    10.2 Appendix B - Housing Prototypes
