

# CONSTRUCTION NOTICE

## Lindley Reservoir Replacement Project Mid to late July, 2020

**WHAT'S HAPPENING:** Construction for the Lindley Reservoir Replacement Project will begin mid to late July, 2020. The partially buried twin tanks will replace the existing steel tank. The steel tank will be demolished after the new tanks are placed into service.

**WHERE:** The work will take place on the City of Escondido's property adjacent to the existing Lindley Reservoir on Hubbard Avenue off of Ash Street

**WHEN:** The work will occur between 7 a.m. and 4:30 p.m. Monday through Friday. There may be some occasional weekend or extended work hours depending on the construction progress.

**CLOSURES:** No street closures are anticipated at this time. However, the Contractor may require space along Hubbard Avenue to load and unload equipment.

**IMPACTS:** You may notice construction noise such as drilling, rock breaking excavation, dust, truck traffic to export rock away from the site and construction equipment being used along Hubbard Avenue.

**SCHEDULE CHANGES:** The work schedule is subject to change due to inclement weather or operational factors.

**HOW TO STAY INFORMED:** Please refer to the City's website at [www.escondido.org](http://www.escondido.org), under Departments go to Utilities. Construction

Projects are listed on the left-hand column. Click on Lindley Reservoir Replacement Project.

**QUESTIONS AND CONCERNS:** Please contact Sam Lopez **(442) 777-8842**; Eric Iglesias **(760) 504-9373**; or Randy Manns **(760) 839-6290, x7031**.

*Thank you for your patience and cooperation throughout the duration of this improvement project.*
