

TELEPHONE VERBAL CONVERSATION CONFIRMATION

From:

PALOMAR POMERADO HOSPITAL DISTRICT  
Design & Facilities Planning Department  
215 S. Hickory, Ste. 206  
Escondido, CA 92025  
(619) 739-2880

Date: 8 OCTOBER 1990 Time: 8:25 am

The following was discussed between Scott Osterhage  
with PPHD and Peggy Gentry with City of Escondido Planning  
regarding Project: Palomar Convalescent Center Addition (which satisfies  
COE CUP# 88-122.

Per our telecon referenced above, I understand that for the addition to existing SF. discussed 4OCT90 in your office (less than 1000 SF added to existing SF) would not be required to go through a full CUP Modification Application, and would be required to go through your Design Review process only, before plans could be submitted to the Building Dept. If there are any inaccuracies or omissions in the above please notify me in writing immediately.  
Thank you for your continued cooperation!
