**To whom it may concern,**

**We are pleased to hear Southwest Key Program Inc. is looking to expand its operations.**

**The El Paso County Sheriff's Office and Southwest Key Program located in Clint Texas have maintained a great working relationship over the years. We are happy to support them in their expansion as they are providing a positive and safe environment to the youth of El Paso involved in their various programs. Cooperation is the key to the success of mentoring our youth and Southwest Keys continues to seek cooperation with the El Paso County Sheriff's Office and the Clint Texas community.**

**We look forward to the programs continued success and cooperation with other Law Enforcement agencies during their expansion and continued involvement in greater El Paso community.**
