Dear Jon,

Per our conversation of Wednesday, November 20, the Palomar Pomerado Hospital District is in escrow to purchase the Parkway Terrace Intermediate Care Facility. Once we have closed escrow on the purchase of the facility, we eventually intend to convert the facility to a skilled nursing facility.

Therefore, we are requesting a change/modification to the CUP (CUP No. 81-193) from an "Intermediate Care and Physical Therapy Facility" to a skilled nursing "Convalescent Hospital and Associated Services".

Per our discussion, I understand because of the minimal change from an intermediate care facility to a skilled nursing facility, that it is reasonable to assume we may amend or change the CUP (No. 81-193) without the necessity of a formal conditional use permit process.

If you have any questions please contact me at 489-4073. Thank you for your cooperation in this matter.

Sincerely,

Mark Burdester
