CUP No. 86-123

Dear Patricia:

Per our telephone conversation of April 21, 1987, I am writing to advise that the parking lot modifications as required within the above referenced CUP package are completed.

Additionally, by means of this correspondence, I am requesting that you arrange for inspection of the parking lot by a representative of the City of Escondido to verify compliance with the CUP documents. (Note, after your inspection is completed, I would like a written confirmation of compliance with CUP conditions, forwarded for our files.)

Should there be any questions concerning this correspondence, please do not hesitate to contact me at 619/489-4650.

Sincerely,

Joseph Stangg
Facilities Planning Manager
