G. PUBLIC HEARINGS:

Please try to limit your testimony to 2-5 minutes.

1. TENTATIVE MAP MODIFICATION, EXTENSION OF TIME AND DEVELOPMENT AGREEMENT – SUB 16-0012 and PHG 18-0028:

REQUEST: A modification to a previously approved ten-lot Tentative Subdivision Map (TR 878) to revise the design and project conditions of approval to conform to current storm water standards, eliminate an extraneous emergency access road to Bear Valley Parkway, revise retaining wall designs and locations, allow for an increase in the retaining walls along the northern property boundary up to approximately six feet in height in limited locations due to existing topographic constraints, modify pad grading and accommodate off-site grading/improvements. The number of lots would remain the same and pad elevations along the northern property boundary would remain in conformance with the previous Tentative Map. The project also includes a request for an Extension of Time and a proposed Development Agreement to extend the expiration date of the map to July 11, 2020. The proposal relies on previously adopted environmental determinations prepared for the project.

PROPERTY SIZE AND LOCATION: Approximately 3.19 acres generally located east of Lion Valley Road, south of Bear Valley Parkway, addressed as 323 Lion Valley Road.

ENVIRONMENTAL STATUS: A Negative Declaration (City File ER 2004-16) was adopted for the originally approved project. In conformance with CEQA Section 15162, no additional environmental documentation need be prepared because there are no substantial changes to the project that would require important revisions to the previous environmental documentation.

The intent of the amendment is to provide limited opportunities for the placement of monument signs in the public right-of-way, immediately adjacent to private, commercially zoned properties, in situations where existing public utilities otherwise preclude the placement of said signs on said private property. The proposal also includes the adoption of the environmental determination prepared for the project.
