1. ANNEXATION; TENTATIVE SUBDIVISION MAP; DEVELOPMENT AGREEMENT AND FINAL MITIGATED NEGATIVE DECLARATION – SUB 14-0002; PHG 14-0006; PHG 14-0007 AND ENV 14-0003:

REQUEST: The proposed project consists of a 43-lot Tentative Subdivision Map on approximately 13.97 acres to include 40 single-family residential lots and 3 open space lots to accommodate on-site storm water facilities. The development also includes annexation of the development site (APNs 224-130-07, 08, 12 and -13) into the City of Escondido, along with one additional developed residential parcel (APN 224-142-20), and three street segments: Lehner between Vista and Ash; Ash between Lehner and Vista; and Vista between Lehner and the City boundary located approximately 500 feet east of Ash Street. Vacation of a portion of the unnamed roadway along the western boundary of the site and a portion of Lehner Avenue also is requested. A Development Agreement is proposed to address the construction and timing of on- and off-site infrastructure improvements along with additional fees toward future construction of priority street and drainage improvements in the North Broadway Deficiency Area. The development would require a boundary adjustment to be recorded for a 15-foot by 318-foot strip of land on the north side of the site that would remain within the County jurisdiction and benefit an adjacent property owner. The project includes the demolition of all of the on-site structures. Proposed off-site improvements include widening Lehner Avenue and installation of storm drain facilities; widening of approximately 690 feet of the northern side of Vista Avenue (including curb, gutter and sidewalk) west of the development site to existing roadway improvements; widening of the western side of Ash Street from Lehner Avenue to Vista Avenue; widening a portion of the eastern side of Ash Street along three parcels (APNs 224-142-19, -20 and -29) to the intersection of Vista Avenue; widening the northern side of Vista Avenue along the frontage of APN 224-142-20; and intersection improvements to Ash Street/Vista Avenue including signalization; and transition improvements south of Vista Avenue, which would require the acquisition of a small section of right-of-way at the southwest corner and slope easements for off-site grading improvements along APN 227-010-57 (1781 N. Ash Street). The proposal also includes the adoption of the environmental determination prepared for the project.

LOCATION: The proposed development site generally is located on the northwestern corner of Ash Street and Vista Avenue, and is bisected by Lehner Avenue (APNs 224-130-07, -08, -12 and -13). An additional developed parcel located on the northeastern corner of Ash Street and Vista Avenue (APN 224-142-20) also would be included in the annexation.

ENVIRONMENTAL STATUS: A Draft Negative Declaration (City File No. ENV 14-0003) was prepared and issued for the proposed project in conformance with the California Environmental Quality Act (CEQA).
