1. Queen Califia Docent/Re-Opening Status - Report/Discussion/Action

Kristina Owens, Associate Planner, noted that in order to continue receiving maintenance/repair funding from the Foundation someone needed to be present whenever the piece was open. City staff concurred with the Foundation. She noted that Public Works would be onsite Tuesdays and Thursdays to open and close the gates at 9:00 a.m. and 12:00 p.m. She also indicated that the lockbox had been removed.

Commissioner Pruitt questioned whether a combination lock could be used in place of the lockbox. Mrs. Owens noted that the lock needed to be the same as the City's facilities Master Locks.

Chairman Murphy and Mrs. Owens discussed the bench and wall work completed by Lech as well as the proposed future work on the totems and snake

walls. Mrs. Owens noted the Foundation had agreed to pay half of the amount for the totems.

Commissioner Pruitt noted that the leaves combined with the rainwater made the floor very slippery. She also noted that she was aware of other individuals who wanted to be docents. Mrs. Owens noted that docents were now required to fill out an application and do a background check.

Discussion ensued regarding keeping the piece open during repairs as well as the timing for the completion of the direction signage and funding. Additional discussion ensued regarding the hours of operations on Second Saturdays being from 9:00 a.m. to 2:00 p.m. beginning in February or March.
