Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

As a recipient of federal funds from the U.S. Department of Housing and Urban Development (HUD), the City of Escondido is required to prepare and submit a Consolidated Plan every five years. The City's current Consolidated Plan was approved in 2015 and amended in 2016. It covers the five-year period from 2015 through 2019 and applies to the following three federal grant programs:

- Community Development Block Grant (CDBG)
- HOME Investment Partnerships Grant (HOME)
- Emergency Solutions Grant (ESG)

The Consolidated Plan is a document developed through a collaborative process whereby Escondido stakeholders have helped identify community improvement needs and priorities to address federal grant funds and other available resources. To ensure the maximum participation of the community's residents and to comply with the City's HUD approved Citizen Participation Plan the City implemented an extensive process that included surveys, community meetings, and public hearings. Through this process, the residents of Escondido participated in a multitude of opportunities to shape the priorities and strategies of the Consolidated Plan and the Substantial Amendment to the Consolidated Plan.

The Annual Action Plan for Fiscal Year (FY) 2018-2019 (the fourth year of the Consolidated Planning period) includes activities the City will undertake to address its priority needs and objectives as outlined in the 2015-2019 Amended Five Year Consolidated Plan. These activities will be undertaken with the FY 18-19 CDBG, HOME, and ESG program funds. The amounts are \$1,791,466, \$648,960 and \$143,015 respectively. All activities proposed for FY 2018-2019 meet one of the following three national objectives:

- Activities which benefit low and moderate income persons;
- Activities which aid in the prevention or elimination of slums or blight; and
- Activities that are designated as having a particular urgency.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The city has extensive housing and community development needs, and CDBG, HOME and ESG funds are not sufficient to address all the needs of the city. The City will use CDBG, HOME and ESG funds, in conjunction with other funding as it becomes available, to coordinate projects and services to meet the objectives of all programs. The identified needs are increasing homeownership opportunities; conserving the supply of existing owner housing; expanding the stock of affordable rental housing; increasing the length of stay in rental housing; providing educational and recreational programs; increasing livability of neighborhoods; assisting homeless persons, supporting senior services, economic development, and implementing ADA improvements where feasible. The associated goals and priorities identified include:

CDBG Priority: Youth **Goal:** Providing educational and recreational programs

CDBG Priority: Neighborhood revitalization **Goal:** Improve the livability of neighborhoods

CDBG Priority: Homeless services **Goal:** Support homeless shelter and other services when feasible

CDBG Priority: ADA improvements **Goal:** Incorporate ADA assessable features in all CDBG public improvement projects and address public facility needs as they are identified

CDBG Priority: Economic Development **Goal:** Support adult education and training

CDBG Priority: Senior Assistance **Goal:** Support Senior Services

HOME Priority: Increasing homeownership opportunities. **Goal:** Increase number of homeowners

HOME Priority: Conserving the supply of existing owner housing. **Goal:** Assist with rehabilitation of existing units.

HOME priority: Expanding the stock of affordable rental housing. **Goal:** Provide additional affordable rental units.

HOME priority: Increasing the length of stay in rental housing. **Goal:** Assist quality affordable rental units.

ESG Priority: Engagement of homeless youth, Rapid Rehousing, Homeless Prevention, Emergency Shelter **Goal:** Housing relocation and stabilization services.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

As the third year of the Consolidated Plan period (2015-2019) draws to an end, the City of Escondido anticipates meeting the goals established for increasing homeownership opportunities, expanding the stock of rental housing, conserving the supply of existing owner housing, and increasing the stay in rental housing. For the Consolidated Plan period the City projected that we would assist 180 persons with rental assistance, where 88 were assisted in the first two years of the plan. We estimated that we would assist 11 homeowners with new housing during the Plan period and we assisted all 11 in the first two years. We estimated that we would assist 5 first-time homebuyers with downpayment assistance and assisted 4 in the first two years. We projected that we would construct 23 affordable rental units and rehabilitate 53 affordable rental unit in five years. In the first two years we constructed 32 new units and rehabilitated 55. Lastly, we estimated that we would assist 45 homeowners with rehabilitation, when we actually assisted four in the first two years. The City anticipates meeting the goals established for providing educational and recreational activities, improving the livability of neighborhoods, supporting homeless services, supporting adult education and training, and supporting senior services. The City plans to diligently continue working towards meeting or exceeding its Five Year Consolidated Plan goals of providing affordable housing, public service activities, and neighborhood revitalization projects to lower income residents.

The City's Annual Action Plans and Consolidated Annual Performance and Evaluation Reports (CAPERs) have provided many details about the innovations, projects and programs completed by the City over the past several years (documents may be viewed and/or downloaded from the City's website).

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Escondido follows the Citizen Participation Plan included as part of the 2015-2019 Consolidated Plan. For the 2018-2019 Action Plan, two public hearings were held, one on March 21, 2018 to discuss priorities and the allocation process and the other on May 16, 2018, to discuss specific programs. Notices were published in English and Spanish two weeks in advance of the hearings and the Draft Action Plan was available for public review and comment for a 30 day period prior to the second meeting.

Community based organizations and residents were notified of the meetings and were encouraged to participate in the development/review of the FY 2018-2019 One Year Action Plan.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

At the first public hearing held on March 21, 2018, there was one speaker from Escondido Education COMPACT, related to the CDBG/ESG allocation that resulted in an additional focus on homeless youth. At the second public hearing, held on May 16, 2018, there were six speakers related to the proposed CDBG/ESG allocation. None of the speakers objected to the City's allocation plan or process.

No public comments were received during the 2018-2019 Action Plan process relating to the HOME program or the HOME allocation.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments or views from the public are accepted, reviewed, and incorporated into the FY 18-19 Action Plan.

7. Summary

Each year, the City of Escondido is required to prepare an Action Plan specifying how resources will be allocated to address the priorities established in the Consolidated Plan. The FY 2018-2019 One-Year Action Plan specifies how CDBG, HOME and ESG funds will be allocated to achieve the community development and affordable housing priorities of the 2015-2019 Consolidated Plan.

The FY 2018-2019 Action Plan covers the fourth year in the City's FY 2015-2019 Consolidated Plan period. The Five-Year Consolidated Plan and the One-Year Action Plan are required as part of the application and planning processes for the three formula-based federal housing and community development programs: Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Emergency Shelter Grants (ESG).

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City's outreach and consultation strategies included the formation of community outreach partnerships with housing services and mental health providers; workforce developers; community advocates; and others. Three Consolidated Plan Community Forums were conducted to solicit input from the community at large. Additionally, a fourth Community Forum was conducted to solicit input for the Amended Consolidated Plan during fiscal year 2016-2017.

In the development of the FY 2018-2019 Action Plan the City conducted two public hearings: March 6 to review and reaffirm priorities of the Consolidated Plan and May 16 to approve the CDBG/ESG/HOME allocations and approve the budget for submittal. In addition to the two public hearings the City outreached to the neighborhoods and its leaders, hosted a Neighborhood Leadership Forum to share in the Action Plan developments, notified community based organizations and local agencies, and posted the DRAFT Action Plan on its website.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Escondido has long been committed to fostering relationships with local community groups. Several nonprofit organizations in the community have been working with the City to manage projects and programs that assist lower income residents. A variety of support services in the areas of education, job-training, homeless and senior and youth services augment the City's efforts in these areas.

Results of the community forums and surveys were published and reported publicly to the City of Escondido City Council. Each segment of the community outreach and planning process was transparent to ensure the public knew their input was being collected, reviewed, and considered.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

HUD charges communities that receive funds under the Homeless Continuum of Care (CoC) Program of the Homeless Emergency Assistance and Rapid Transition to Housing Act (HEARTH) with specific responsibilities.

The Regional CoC (which is now the Regional Task Force for the Homeless) includes all of the geography within the County of San Diego, including 18 incorporated cities and all unincorporated areas. This area also includes several Public Housing Authorities and the ESG, CDBG, HOPWA, HOME and Veteran Administration service areas.

The RTFH meets on a monthly basis to identify gaps in homeless services, establish funding priorities, and to pursue an overall systematic approach to address homelessness. These are public meetings in which the community of providers and stakeholders are welcome to attend and provide comment. The City is represented on the RTFH general membership by staff of the City Manager's Office and Housing and Neighborhood Services Division. Through regular attendance and participation in the RTFH meetings, the City consults with the RTFH to develop cooperative plans and strategies to leverage resources to provide homeless services, and is informed of changes in local goals, objectives and performance measures.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Consultations with the Regional CoC (which is now known as the Regional Task Force for the Homeless) help allocate ESG funds by assisting the City, in coordinating the prioritization and use of resources with local needs. Through this process, the City is able to design programs that are consistent with applicable federal and local standards while distributing funds in an efficient manner. Further, ESG jurisdictions inclusive of the City, created a Regional CoC ESG Policy and Operations Guide which lays out federal, state and local standards, policies and regulations for ESG, along with local jurisdictions' standards and policies.

The Regional CoC assists in setting standards for what outcomes homeless programs should accomplish during their contract period. Consultations with the Regional CoC allow for an open dialog to discuss how to establish performance measures that benefit the broader goals of the region. In doing so, the City is informed of the standards that ESG funds demand, as well as other best practice outcomes and is able to incorporate these goals when negotiating contracts with sub-recipients.

A Homeless Management Information System (HMIS) is essential to efforts to coordinate client services and inform community planning and public policy. Analysis of information gathered through HMIS is critical to the preparation of periodic accounting of homelessness in the San Diego region

The Regional CoC entered into a Memorandum of Understanding (MOU) with the Regional Task Force on the Homeless, Inc. (RTFH) to establish the RTFH as the Regional CoC's recognized HMIS Lead. This

organization administers the HMIS for the region and sets a uniform standard for all agencies to gather information for HUD reporting and local homeless strategies. All ESG funded organizations enter information to the HMIS system.

In January 2017, the RTFH formally merged with the regional Continuum of Care (CoC) to strengthen the collective impact. Leveraging the comprehensive resources of the CoC, the new RTFH has become a singular organization.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Escondido is a CDBG entitlement jurisdiction and a HOME participating jurisdiction. Escondido received an annual allocation of \$1,791,466 in CDBG funds, \$648,960 in HOME funds and \$143,015 in Emergency Solutions Grant (ESG) funds for FY 2018-19.

Program income received from the repayment of Rehabilitation (CDBG) loans will automatically be re-programmed for activities for programs from which the funds were originally provided to the extent possible. If additional program income funds are received that are not automatically reprogrammed, specific projects will be identified during the Action Plan process. HOME program income will be used for HOME -eligible

activities.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The housing needs in Escondido far exceed available HOME funding. Many of the housing programs/projects to be undertaken by the City will be leveraged with a variety of funding sources, including State grants, Successor Housing Agency repayments, and other available funding sources. The HOME program requires that for every HOME dollar spent, the City must provide a 25 percent match with non-federal funds. The City has no current match obligation since we have been oversubscribed in our match obligation for several years. The City still strives to obtain as much additional funding for housing projects as possible.

The City of Escondido became the Successor Housing Agency when redevelopment agencies were dissolved by the State of California in 2012. No new funds will become available, but the City has responsibility for any assets and the housing loan portfolio, which may generate income as loans are paid. Currently it is anticipated that the City's rental subsidy program for very-low income seniors and disabled persons will continue to be funded with these funds. Future funding of the program is uncertain.

The City was awarded two CalHome grants, totaling \$1.9M, to establish an owner-occupied rehabilitation program beginning in FY 15-16. The program was successful and the City anticipated funding this program for a total of three years. The program was ended by the State in September 2017.

The City encourages and supports the use of Low Income Housing Tax Credits for developers of affordable housing utilizing new construction or acquisition/rehabilitation. Tax credits remain a substantial source of local affordable housing funding.

Emergency Solutions Grant (ESG)

Interfaith will satisfy its match requirements by providing the services of its Housing Services Coordinator through private agency funds and through HUD COC funds. Interfaith is currently under contract with the County of San Diego to operate State ESG programs and is in its first year of operating HOME NOW, a HUD-funded Rapid-Re-housing project. Combined with the City's ESG funding for rapid re-housing, Interfaith will be able to provide and implement an all-inclusive approach to effectively serve the residents within Escondido.

Escondido Education COMPACT will be leveraging funds from multiple grants and donations including the Escondido Police Department, Escondido Unified School District/Escondido Union High School District, and the After 5 Rotary as well as several in-kind contributions, which will provide over 100% match requirement. Additionally, COMPACT will secure some unrestricted dollars that provide for supportive services and incentives.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City does not own any land or property that will be used to address housing-related needs during the term of the Plan.

AP-35 Projects – 91.220(d)

Introduction

The City of Escondido, Housing and Neighborhood Services Division will serve as the lead agency in the administration of all CDBG, HOME and ESG projects and funds proposed in this plan. The City will contract with local nonprofit agencies and organizations to administer public services and fair housing activities in addition to administering some projects directly. Contract agencies (subrecipients) will be responsible for program implementation while contract performance will be monitored by the City of Escondido staff. The majority of projects and programs will be administered by City staff directly.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

HOME. The City of Escondido does not distribute HOME allocations for housing programs and projects geographically. Available allocations are spent citywide and geography does not play a part. There are areas of focus, including areas in the older, central core of the City, although no specific target areas have been established to focus the spending of HOME funds, and they are available throughout the City.

CDBG. The City of Escondido currently has 18 priority Neighborhood Groups, that are low-to-moderate income, that are older and either in-or-around the central core of the City. Assistance is directed to these 18 Neighborhood Groups and to other CDBG eligible areas within the City.

ESG. The City of Escondido does not distribute ESG allocations for programs and projects geographically. Funds are spent on clients within the City that are at risk of homelessness or homeless.

Rationale for the priorities for allocating investments geographically

Available CDBG allocations are spent citywide in CDBG eligible areas, neighborhood groups, and low-to-moderate income persons. There are areas of focus, including areas in the older, central core of the City such as the neighborhood groups, although no specific target areas have been established to focus the spending of CDBG funds.

Available ESG allocations are spent within the City of Escondido assisting homeless individuals and families based on evaluations in accordance with the CoC's centralized and coordinated assessment

requirements.

Discussion

It is anticipated that 180 homeless individuals will be assisted through CDBG-funded assistance to a rotating winter shelter.

In the 4th year of the Consolidated Plan, the City plans to add approximately 4 new affordable rental units, through new construction or acquisition/development. The City also plans to provide an amount of rental assistance to 35 very-low income seniors/disabled persons, and provide down payment assistance to 1 first-time homebuyer. Funding for these accomplishments will be a combination of HOME funds and other available, affordable housing funding.

AP-60 Public Housing – 91.220(h)

Introduction

There is no public housing located in the City of Escondido and the City of Escondido is not a Public Housing Authority. The Housing Authority of the County of San Diego (HACSD) is the Housing Authority which administers public housing and the Housing Choice Voucher Program for Escondido residents.

Actions planned during the next year to address the needs to public housing

The public housing needs in the City of Escondido are addressed by the Housing Authority of the County of San Diego (HACSD). The City supports the HACSD in their efforts to address the needs of low-income households in Escondido.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Although the City of Escondido is not a Public Housing Authority, the HACSD represents residents of Escondido. The HACSD has established a public housing resident advisory board for county public housing developments and the Section 8 Housing Choice Voucher Program participants. The board meets regularly to discuss program issues and recommendations.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

N/A - The HACSD is not designated as troubled.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Homeless and homeless prevention services are identified as a high priority need in the FY 2015 - FY 2019 Consolidated Plan. The City anticipates expending approximately \$70,000 of its public service cap (up to 15 percent of the CDBG annual allocation) on homeless and homeless prevention services during FY 18-19. Additional CDBG funds may also be used to support further homeless opportunities for the at-risk homeless through the Regional Continuum of Care.

The City also anticipates expending approximately \$143,015 of its Emergency Solutions Grant funds during FY 18-19 to assist in homeless activities within the City. For FY 18-19 the City has prioritized the engagement of youth, individuals, and families through essential services, rapid re-housing, homeless prevention, and emergency shelter.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Although the majority of homeless individuals in Escondido lived in Escondido before becoming homeless, a number of homeless individuals come to the City Escondido because of the public services that are offered within the city. As a service hub in the North County area, Escondido participates in the Regional Continuum of Care (now known as the Regional Task Force for the Homeless), comprising of many other San Diego cities and the County of San Diego, non-profit service providers, and stakeholders. The RTFH coordinates and oversees the application process, and develops and vets programs to address issues regarding homelessness in the region. The RTFH also oversees the collection of regional homeless data, identifies gaps in services, and leads strategic planning initiatives to move people from homelessness to permanent housing. The City will continue to work with the RTFH as staffing and resources allow to support services and apply for funding to address (and end) homelessness in our region.

Addressing the emergency shelter and transitional housing needs of homeless persons

For FY 2018-2019, the City plans to allocate CDBG funding to the Bridge Housing Network. Through a regional collaboration, the Bridge Housing Network provides safe shelter, working with community members to secure safe, sustainable housing, while simultaneously offering a comprehensive array of support services to pave a concrete pathway towards self sufficiency and stable housing. To accomplish

such goals the Bridge Housing Network will provide:

- A safe environment for homeless individuals
- Offering access to a Case Manager to work on housing and income goals
- Offering access to support services to enhance the ability to be self sufficient
- Referring participants to the COC Coordinated Entry System which connects the most vulnerable to available rapid re-housing and permanent housing resources

For FY 2018-2019, the City plans to allocate CDBG funding to Escondido Education COMPACT. This organization will address the emergency shelter and transitional needs of homeless youth through its housing strategies. COMPACT program will:

- Identify potential connections that can lead to housing
- Capture findings in the Housing Plan
- Create a youth specific rotational shelter within the City; and
- Continue to seek host homes for youth within congregations.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City's one year goal and actions for ending homelessness include expending Emergency Solutions Funds towards helping homeless persons transition to permanent housing and independent living.

Further discussion provided above.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services,

employment, education, or youth needs.

Key elements to homeless prevention is employment development and mental health. The goal is enhance a person's ability to obtain and keep a job so that they are able to make an adequate income to be selfsufficient while sustaining their mental health. The City works diligently to expand and conserve its affordable housing inventory, especially affordable rental housing that benefits the extremely low and low income households who are most at risk of becoming homeless.

For FY 2018-2019 the City is allocating CDBG funding to Escondido Education COMPACT who will be addressing youth needs through education, employment training, homeless prevention, and housing strategies. This program will also provide supportive services as well as healthcare needs such as applying for medical coverage, food safety programs such as Cal-Fresh, and provide youth with mental and substance abuse referrals.

Further discussion provided above.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

In Escondido, as in much of the rest of the State, the greatest barrier to affordable housing continues to be cost. Although the drop in home prices a few years ago opened up some owner and rental opportunities, rising prices of ownership housing and rising rents over the past few years have again impacted the affordability of housing in Escondido. San Diego County saw five percent rent increases between 2015 and 2016 and an 8% increase in 2017. The homeownership rate and the rate of housing cost burden identified in the 2015-2019 Consolidated Plan demonstrate the need for affordable housing opportunities in Escondido. The city plans to use available funding to provide assistance to first-time homebuyers and provide additional affordable housing to help mitigate some of the barriers to affordable housing. In addition, the Zoning Code will continue to be evaluated to determine if amendments are needed to implement state law or facilitate affordable and special needs housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Escondido continues to experience barriers to affordable housing as identified in the Consolidated Plan, including governmental constraints, and especially market conditions, lack of funding sources, and land and construction costs. Many barriers to affordable housing are not controlled by the City, including land and construction costs, state/federal government constraints and available funding sources. The City does have the ability to introduce actions to minimize the influence of local governmental constraints on affordable housing, however. During the upcoming Action Plan period the City of Escondido plans to continue review of the Zoning Code to see if there are any changes that need to be made to implement goals established in the 2013 Housing Element, be consistent with State law, or remove a barrier to affordable housing. Many amendments to the Zoning Code have already been completed during the current Consolidated Plan period. These include an amendment that permits year round homeless shelters by right without discretionary review in at least one zoning designation; an amendment that facilitates senior housing by permitting senior housing by right where housing is permitted; and an amendment that defines transitional/supportive housing units as required by state law and permits them where residential units are otherwise permitted. Additionally, the density bonus regulations in the Zoning Code were amended to be in conformance with state law, providing additional opportunities for low and moderate income households.

The City has completed development of an area plan, the South Centre City Area Plan, in the central portion of the City to better facilitate higher density and transit-oriented residential development,

potentially including affordable residential development, multi-family and mixed-use development.

The City plans to use its HOME allocation to provide for more accessible, affordable housing, through assistance to first-time homebuyers and provision of additional affordable units, leveraging it when possible with additional sources of funding. The City continues to review the development process, including environmental requirements, fees, and development standards/processes to discover any ways to further streamline the process, particularly for residential developments.

Discussion:

The city plans to use available funding to provide assistance to first-time homebuyers and provide additional affordable housing to help mitigate some of the barriers to affordable housing, as described above.

AP-85 Other Actions – 91.220(k)

Introduction:

Priority needs established in the FY 2015-2019 Amended Five-year Consolidated Plan, which establishes the objectives and outcomes in the FY 2018-2019 One-Year Action Plan, are:

- Support education and recreation opportunities
- Neighborhood revitalization
- Homeless services
- ADA improvements
- Support senior services
- Economic development
- Increasing homeownership opportunities
- Conserving the supply of existing owner housing
- Expanding the stock of affordable rental housing
- Increasing the length of stay in rental housing

Actions planned to address obstacles to meeting underserved needs

The City plans to provide affordable housing to low income residents of the community while overcoming any obstacles that can be addressed.

The major obstacle to meeting the underserved housing needs in Escondido is funding. Since the loss of the City's main affordable housing funding source, redevelopment funds, in 2011/2012, the number of beneficiaries of the City's housing programs has been reduced. To meet the goal of assisting as many low-income households as possible, the City will continue to seek alternative funding sources where possible to replace those lost or reduced, and continue as many as many programs as possible.

The City's first-time homebuyer program is an important tool in increasing homeownership among lower income households. Response to the program by lenders and homebuyers has generally been good in the past, although the ability of homebuyers to qualify has decreased in recent years. Requirements of the program are periodically reviewed to ensure participation and responsible use of the funds. The HUD maximum purchase price of a single-family residence in the area was recently adjusted, which impacts the ability to qualify. However, the maximum is still typically lower than the price of available housing stock. Obstacles still exist in the ongoing success of this program, including the price of housing in the City, the amount of available housing stock, and the income levels of those able to qualify for a mortgage. City staff recently met with real estate industry representatives to get information about how the program is working and changes they suggest making to the program

for better success. Staff is evaluating the comments and ideas presented to determine which, if any, can be incorporated into the program.

Other actions the City plans to address obstacles to meeting underserved needs include:

Program Development, Directing Investment and Influencing Outcomes: In an effort to proactively direct critical HUD resources and make demonstrable progress toward achieving the Consolidated Plan Goals, the City has outlined the allocation of CDBG funds for fiscal years 2015– 2019.

Leverage and Geographic Targeting: Within the context of the City's three HUD Programs, leverage refers to combining entitlement funds with other local, state, and federal financial resources together in order to maximize the yield and benefits of the City's HUD Programs.

Increasing Administrative Efficiencies: The Housing and Neighborhood Services Division of the City ensures that the City is in compliance with all rules and regulations associated with all HUD entitlement grants: CDBG, HOME, and ESG. During the current Consolidated Plan period, the City is focused on developing and implementing ways to increase operational efficiencies of HUD Programs through enhanced coordination, technical assistance, and effective oversight.

Actions planned to foster and maintain affordable housing

When the affordability period of an existing affordable housing project is nearing the end, the City works with the owners of the project to try to extend the regulatory agreements and affordability period, maintaining the City's affordable housing stock. The city has several options available to try to help preserve affordability, including refinancing an existing mortgage and providing incentives to the owner. In addition, the City will encourage owners completing their Section 236 loan to convert project-based voucher assistance to tenant-based voucher assistance.

Actions planned to reduce lead-based paint hazards

HUD requires all CDBG and HOME funded activities be in compliance with HUD's lead-based paint regulations. The City of Escondido is committed to addressing lead-based paint hazards. Federal law requires lead-based paint disclosure and education prior to leasing, renting, selling or purchasing most pre-1978 housing. The City will follow disclosure and warning requirements about lead-based paint, including incorporation of the "Protect Your Family from Lead in Your Home" pamphlet in all applicable housing programs. The City will conduct required lead-based paint related activities for all HOME funded activities under Title X regulations, such as notification, paint testing, risk assessment, hazard reduction or abatement and clearance. All abatement activities will be performed by a certified

professional. The City also will send staff to EPA-compliant lead-based paint hazard training.

Actions planned to reduce the number of poverty-level families

The City will continue to implement its five-year strategy to help reduce the number of poverty-level families. The anti-poverty strategy utilizes existing job training and social service programs to increase employment marketability, household income, and housing options. In the past, the City's anti-poverty strategy also included direct economic development activities that focus on job creation and retention, particularly in the downtown area. In addition to implementing the five-year strategy and focusing development activities in the urban core, the City of Escondido will continue its efforts to coordinate a unified effort with other agencies and non-profits to reduce the number of poverty-level families through economic development and job training programs.

Actions planned to develop institutional structure

Housing and community development programs in the City of Escondido will be implemented by an institutional structure that includes public institutions, nonprofit organizations, and private industry. The institutional capacity of these agencies include people and resources to assist in the development, implementation and monitoring of housing and community development programs. The City's Housing and Neighborhood Services Division has the primary responsibilities of carrying out affordable housing programs, implementing HOME program requirements, administering the CDBG programs, and administering the ESG program. Although City staffing levels are not at the level they were in the past, staff continues to work hard to coordinate applications and reviews to make the best use of all available federal funding.

The Community Development Department offers applicants of development proposals an opportunity to meet with members of City staff to review the development process, prior to application submittal. Necessary information and technical assistance is offered prior to application submittal. These "pre-application" meetings are free of charge. Additionally, representatives of several City departments meet weekly to review both submitted applications and those that an applicant has not yet submitted, to offer comments on use, design and code compliance. This Staff Development Committee assists applicants processing projects by offering comments and requests for modifications in a timely and cohesive manner.

Actions planned to enhance coordination between public and private housing and social

service agencies

In order to enhance coordination between all parties, staff have been working on updating a current list of public agencies, non-profit groups, housing providers, community and neighborhood groups, and affordable housing advocates. After completion of the most recent Consolidated Plan, staff continues to periodically consult with the various providers, groups and other stakeholders to discuss needs, activities, and progress. Staff currently participates in the following regional committees: SANDAG Regional Housing Workforce Group, Regional Task Force on the Homeless, San Diego Regional Alliance for Fair Housing (SDRAFFH), and the Community Development Block Grant Administrators meeting. Staff will continue to be involved in various community groups involved in all aspects of community development, services and housing. Staff will also continue to provide assistance to developers and community organizations that assist the City in the provision of affordable housing and services, and encourage collaboration between non-profit agencies, housing providers and government agencies to help achieve the goals of the Consolidated Plan.

The City of Escondido is a general/board member with the Alliance for Regional Solutions - North County which collaborates with public / private housing and social service agencies with the goal of working together to ensure that current and emerging human needs are met for the greater good of the region.

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as the County, RCCC/RTFH, and the Alliance for Regional Solutions.

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

None.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Escondido imposes recapture requirements that comply with the HOME Final Rule, 24 CFR 92.254. If a property that is assisted with HOME funds is no longer owner-occupied, is refinanced or is sold, the HOME loan becomes due. Recapture provisions limit the amount to be recaptured to the net proceeds of the sale (sales price minus loan repayment -other than HOME funds - and closing costs). This applies to all units regardless of nature of sale. Recapture funds are re-invested by the City into HOME-eligible activities.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City of Escondido imposes recapture requirements that comply with the HOME Final Rule, 24 CFR 92.254. If a property that is assisted with HOME funds is no longer owner-occupied, is refinanced or is sold during the first ten years, the homeowner is responsible for repaying the entire principal amount plus interest to the City. Since the maximum amount loaned in the first-time homebuyers program is the lesser of \$25,000 or 5 percent of the purchase price, the required affordability period of 24 CFR 92.254(a)(4) is ensured. Interest is forgiven after ten years, but repayment of principal is still required. Recapture funds are re-invested by the City into the HELP first-time homebuyer program or other HOME-eligible activities.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

Written standards for providing ESG assistance is provided as an attachment in the "Unique

Appendices" section.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

The San Diego Continuum of Care, now the Regional Task Force on the Homeless, uses a coordinated assessment system as directed by HUD. The system uses an assessment tool that scores individuals based on their needs and vulnerability to ensure that regional programs give priority to chronically homeless individuals and families who are at-risk by remaining un-housed.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City conducts an open and competitive Request for Proposal (RFP) process for making awards. RFP's are publically announced on the City website and through email to members of its mailing list.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City does not have homeless or formerly homeless people on its City Council which is the final approval authority for the City. However, the City does consult with the Regional Continuum of Care which has formerly homeless individuals as members. Subcontractors who administer the shelters and the rapid rehousing programs have formerly homeless individuals in their organizations who help shape policies and make decisions about services and programs that receive ESG funding.

5. Describe performance standards for evaluating ESG.

The City has adopted performance standards for Rapid Re-housing that are in line with the Continuum of Care. These standards include: rapidly re-housing clients into permanent housing within 30 days after determination of eligibility; retaining this housing for at least six months; attaining or maintaining income while in permanent housing.

Citizen Participation Comments

City of Escondido

CITIZEN PARTICIPATION PLAN

Citizen participation is a priority for the City of Escondido. The City of Escondido receives an annual entitlement of Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), and Emergency Solutions Grant (ESG) funds from the U.S. Department of Housing and Urban Development (HUD) for housing and community development activities to assist low-income persons. In accordance with the Grant, the City must create a 5-Year Consolidated Plan (Consolidated Plan) that addresses affordable housing and community development needs, submit an Annual Action Plan (Annual Plan) to outline spending and activities for the corresponding program years, and provide a Consolidated Annual Performance and Evaluation Report (CAPER) to evaluate the City's accomplishments and use of CDBG, HOME and ESG funds as well conduct an Assessment of Fair Housing (AFH) every five years.

The following Citizen Participate Plan (CPP) meets HUD standards for:

- Involvement of community members in the public participation process, including public hearings and public comment periods
- Opportunities for involvement of affected persons and other concerned citizens in the planning process
- Transparency of the planning process and freedom of access to the draft Plan
- Public's submission of comments and the standards for the grantee's response
- Continuity of participation throughout all stages of the Plan's development.

Objectives

The primary goal of the CPP is to solicit views and recommendations from members of the community, organizations, and other interested parties and to incorporate the views and recommendations in the decision making process. To accomplish this goal, the CPP mandates that the City will:

- Encourage participation from residents in the development and preparation of the Consolidated Plan, Annual Plan, AFH, substantial amendments to these plans, and the CAPER.
- Encourage the involvement by low and moderate income persons, particularly those who reside in CDBG-eligible neighborhoods, areas designated for revitalization, areas designated as a slum and blighted, people with disabilities, racial and ethnic minorities, Non-English speaking and limited English proficient (LEP) persons, and residents of public and assisted housing developments in the development of the Consolidated Plan and AFH.
- Encourage participation from Continuums of Care, businesses, developers, nonprofit organizations, philanthropic organizations, community-based and faith based organizations, resident advisory boards, resident councils, and resident management corporations during the development and implementation of the Consolidated Plan and AFH.
- Provide residents reasonable and timely access to information, meetings, and records.

- Provide residents the opportunity to review, offer input and feedback regarding the use of CDBG, HOME, and ESG funds and the AFH, and comment on the CAPER.
- Provide assistance for non-English-speaking and LEP persons upon advance request, provided such services are available.
- Use comprehensive techniques to encourage and measure public participation and review program performance.
- Reasonable accommodations will be provided for those with disabilities upon advance request.

Reviews/Recommendations

Staff reviews proposals and make recommendations to the City Council concerning funding for social services, affordable housing projects, homeless initiatives, and capital improvement projects. City Council meetings are open to the public and available for viewing on the City website. City Council agendas are posted 72 hours prior to a meeting and available on the City's website and at City Hall, 201 N. Broadway.

During the Development of the Consolidated Plan, Annual Plans, and Assessments of Fair Housing:

- The City will make a concerted effort to notify residents, social service providers, business groups, nonprofit organizations, community and faith based organizations, and community boards and other interested organizations of the development of the Consolidated, Annual Plans, and AFH through mailings, including electronic mail, online postings, and notices in the newspaper.
- The City will issue a Notice of Funding Availability/Request for Proposals inviting proposals for CDBG, HOME and ESG activities. Upon request, the City will provide technical assistance to groups representing low-moderate income persons to develop proposals for eligible activities and comment on the AFH.
- The City will make available any HUD-provided data and other supplemental information the grantee plans to incorporate into its AFH at the start of the public participation process (or as soon as feasible after).
- Prior to adoption of the Plan(s), the City will make available the estimated amount of CDBG, HOME, and ESG funding that it expects to receive, the activities that may be undertaken, the estimated amount of funds that will be used to benefit low-moderate income persons, and any activities that may result in displacement.
- The City will publish a summary of the proposed Plan(s) and/or AFH in the newspaper and have it available on the City's website for a period of ten days prior to a public meeting. The summary will describe the contents and purpose of the Plan(s) and/or AFH and include a list of the locations where they may be examined. The Plan(s) and/or AFH will be available for review at Escondido City Hall, on the City's website, and at the

Escondido Public Library. The City will provide a reasonable number of free copies to citizens and groups upon request.

Public Hearings

- The City will conduct at least two public hearings each year to obtain residents' views regarding housing and community development needs, proposed allocation of CDBG and ESG funds, strategies and actions taken to affirmatively further fair housing, and approve program/funding activities. The City will conduct at least one public hearing each year regarding the proposed allocation of HOME funds. HOME funds will be conditionally committed to an affordable housing development only after a public hearing to discuss the project.
- The City will conduct at least one public hearing during the development of the AFH prior to publishing the AFH for public comment. The public hearing must be held prior to formulating the Consolidated Plan.
- The City will conduct at least one public hearing during the development of the Consolidated Plan prior to publishing the Consolidated Plan for public comment.
- The City will receive and consider comments concerning the Plan(s) and/or AFH for period of not less than 30 days. All comments received, in writing or orally at a public meeting, will be considered in preparing the final Plan(s) and/or AFH. A summary of the comments or views, including those not accepted and the reasons, shall be attached to the final Plan(s) and/or AFH.
- Public notices, excluding the CAPER, will be published at least ten days prior to a hearing. Notices will include the date, time, location, and summary of the proposed action to help facilitate informed comments. Notices will be published in the newspaper and announced on the City's website.

Amendments to the Consolidated Plan, Annual Plans, and Assessments of Fair Housing

The City will amend its approved Plan(s) whenever it makes one of the following decisions:

- To carry out an activity not previously described in the Annual Plan using funds covered by the Consolidated Plan, including program income.
- To substantially amend the purpose, scope, location, or beneficiaries of an activity.
- To substantially amend the allocation priorities or the method of distributing funds.

A substantial amendment is defined as the following:

- An addition, modification, or elimination of a Consolidated Plan goal;
- An addition of a new activity not previously identified in the Annual Plan; or
- A change that affects the funding level of more than \$25,000 for projects budgeted at \$100,000 or less, or greater than 25 percent of projects budgeted at more than \$100,000

Substantial amendments must be authorized by the City Council and will be available on the City's website and through public notices in the newspaper. Minor changes and/or corrections may be made, so long as the changes do not constitute a substantial amendment. Minor changes, including but not limited to modifications of goal outcome indicators, shall not be considered a substantial amendment and do not require public review or a public hearing.

- The City will receive and consider comments concerning substantial amendments and/or AFH revisions for period of not less than 30 days. All comments received, in writing or orally at a public meeting, will be considered in preparing the final Plan(s) and/or AFH. A summary of the comments or views, including those not accepted and the reasons, shall be attached to the final Plan(s) and/or AFH.
- Public notices will be published at least ten days prior to the hearing. Notices will include the date, time, location, and summary of the proposed action to help facilitate informed comments.

Consolidated Annual Performance and Evaluation Reports (CAPERS)

The City will prepare an annual CAPER to evaluate the progress of the Consolidated Plan and to review accomplishments for the previous program year.

- A comment period of not less than 15-days will be provided. All comments received, in writing or orally, will be included in the final submission to HUD.

Access to Information and Records

- Any citizen, organization, or other interested party may submit written requests for information regarding the Consolidated Plan, Annual Plans, AFH, and CAPER, including the City's use of funds under the CDBG, HOME, and ESG programs and the benefit to low-moderate income residents during the preceding five years.
- This Citizen Participation Plan, the Consolidated Plan, the current Annual Plan, the current AFH, the current CAPER, and any substantial amendments to these plans will be available for public review at City Hall, 201 N. Broadway and on the City's website.

Comment and Complaint Process

The City will consider any comments from citizens received in writing or orally at public hearings in preparing this Citizen Participation Plan, the Consolidated Plan, Annual Plans, CAPERs, AFH, and/or substantial amendments to these plans. A summary of all comments will be attached and submitted to HUD.

The City will respond to written complaints received relating to the Consolidated Plan, Annual Plans, AFH, CAPERs, and/or substantial amendments. Written complaints must describe the objection and provide contact information of the complainant. The City will respond to complaints within 15 working days of receiving the written complaint, acknowledging the letter and identifying a plan of action, if necessary.

**Emergency Solutions Grant
Written Standards for Provisions of ESG Assistance**

Attachment A, Amended Consolidated Plan FY 15-19 | Page 1

STANDARDS FOR THE PROVISION OF ESG ASSISTANCE

The City of Escondido, in accordance with Department of Housing and Urban Development guidelines, developed standard policies and procedures for evaluating individuals' and families' eligibility for Assistance under Emergency Solutions Grant (ESG).

Evaluations. Per 24 CFR 576.401 the City and ESG sub-recipients must conduct an initial evaluation to determine each individual or family's eligibility for ESG assistance and the amount and types of assistance the individual or family needs to regain stability in permanent housing. These evaluations must be conducted in accordance with the centralized or coordinated assessment requirements set forth under §576.400(d).

Re-evaluations. The City and ESG sub-recipients must re-evaluate the program participant's eligibility and the types and amounts of assistance the participant needs; not less than once every 3 months for program participants receiving homeless prevention assistance and not less than once annually for program participants who are receiving rapid re-housing assistance. At the City and sub-recipient's discretion, re-evaluations may be conducted more frequently than required by 24 CFR 576.401 and may also be incorporated into the case management process for homeless prevention and rapid re-housing participants – See 24 CFR 576.401(e)(i). Regardless of which timeframe is used, re-evaluations, must at minimum, establish that:

The program participant does not have an annual income that exceeds 30 percent of median family income for the area, as determined by HUD; and the program participant lacks sufficient resources and support networks necessary to retain housing without ESG assistance. To determine if an individual or family is income eligible, the City or subrecipient must examine an individual or family's annual income to ensure that it does not exceed the most current area income limits posted on the Department of Housing and Urban Development's webpage "ESG: Emergency Solutions Grants Program"
<https://www.hudexchange.info/resource/4018/2014-hud-median-income-limits-30/>.

RAPID RE-HOUSING AND HOMELESS PREVENTION

ESG funds may be used to provide housing relocation and stabilization services and short-and/or medium term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing. This assistance is referred to as rapid re-housing assistance.

ESG funds may be used to provide housing relocation and stabilization services and short-and/or medium term rental assistance as necessary to prevent an individual or family from moving into an emergency shelter or another place described in paragraph (1) of the homeless definition in 24 CFR 576.2.

Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid

Attachment A, Amended Consolidated Plan FY 15-19 | Page 2

re-housing assistance will consist of a waiting list for potentially eligible clients and those who most likely benefit from the program.

Through the use of a screening and assessment process, program eligibility will be assessed by thoroughly exploring a family's or individual's situation and pinpointing their unique housing and service needs. Based upon the assessment, families and individuals should be referred to the kinds of housing and services most appropriate to their situations and need (i.e. access all available services to increase self-sufficiency).

Once in place, a centralized or coordinated assessment system will help to better match individuals and families with the most appropriate assistance. Under homelessness prevention assistance, funds are available to persons below 30% of Area Median Income (AMI), who are homeless or at risk of becoming homeless. ESG funds can be used to prevent an individual or family from becoming homeless and/or regain stability in current housing or other permanent housing. Rapid re-housing funding will be available to those who are literally homeless to ultimately move into permanent housing and achieve housing stability. Homeless prevention and rapid re-housing assistance must be provided in accordance with the housing relocation and stabilization services requirements in 24 CFR 576.105, and the short-and medium-term rental assistance requirements in 24 CFR 576.106.

The amount each program participant must pay will be based on the following:

- Rental assistance cannot be provided for a unit unless the rent for that unit is at or below the Payment Standard, established by the City using HUD's published Fair Market Rents for the San Diego Region. A complete listing of the Fair Market Rent for San Diego can be found at the following website: <http://www.huduser.org/portal/datasets/fmr.html>
- The rent charged for a unit must be reasonable in relation to rents currently being charged for comparable units in the private unassisted market and must not be in excess of rents currently being charged by the owner for comparable unassisted units. See 24 CFR 574.320.
- The rental unit must meet minimum habitability standards found at 24 CFR 576.403.
- There must be a rental assistance agreement and lease between property manager and tenant as well as the owner of property and the City or ESG sub-recipient.
- No rental assistance may be made to an individual or family that is receiving rental assistance from another public source for the same time period.
- Rental assistance may not be provided to a participant who is currently receiving replacement housing payments under Uniform Relocation Assistance.
- Rental assistance may be available for Project Based Rental Assistance, based on availability of funding and vacant units.

Short-term and medium-term rental assistance. 24 CFR 576.106 (e) Rental assistance agreement. The City's or its ESG sub-recipients may make rental assistance payments only to an owner with whom the sub-recipient has entered into a rental assistance agreement. The rental assistance agreement must set forth the terms under which rental assistance will be provided, including the requirements that apply under this section. The rental assistance agreement must provide that, during the term of the agreement, the owner must give the sub-recipient a copy of any notice to the program participant to vacate the housing unit, or any complaint used under state or local law to commence an eviction action

Attachment A, Amended Consolidated Plan FY 15-19 | Page 3

against the program participant. In the event of project based assistance, the payments would go directly to the property owner with a rental assistance agreement in place.

The City and its subrecipients must maintain standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time. Currently, the period is up to 12 months.

Homelessness prevention and Rapid re-housing component. 24 CFR 576.103 and 24 CFR Part 576.104. The City and its sub-recipients may provide an ESG program participant with up to 24 months of rental assistance during any 3-year period. The City is providing a maximum of up to 12 months of segrental assistance that can be in the form of short-term rental assistance (for up to 3 months of rent) or medium term rental assistance (assistance that is for more than 3 months) but not more than 12 months of rent. However, at the City and subrecipient's discretion rental assistance will be provided in a reasonable timeframe as evaluated by the City and its program participant within HUD regulations.

The maximum amount of rental assistance provided, or family's level of responsibility for rent payments, over time, shall be determined by the City and its subrecipient and shall be reflective of the individual or family's need for rental assistance and the level of financial resources available to the ESG program participant.

Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participants receives assistance, or the maximum number of times the program participants may receive assistance.

Subject to the general conditions under 24 CFR 576.103 and 24 CFR Part 576.104, subrecipients may use ESG funds to pay housing owners, utility companies, and other third parties for some or all of the following costs, as allowed under 24 CFR 576.105:

- Security deposits
- Last month's rent
- Utility deposits
- Utility payments
- Moving costs

Housing relocation and stabilization costs. 24 CFR 576.105 (c). ESG sub-recipients shall determine the type, maximum amount and duration of housing stabilization and/or relocation services for individuals and families who are in need of homeless prevention or rapid re-housing assistance through the initial evaluation, re-evaluation and ongoing case management processes.

EMERGENCY SHELTER

The term Emergency Shelter per 24 CFR Part 576.2 means "any facility, the primary purpose of which is to provide a temporary shelter for the homeless in general or for specific populations of the homeless

Attachment A, Amended Consolidated Plan FY 15-19 | Page 4

and which does not require occupants to sign leases or occupancy agreements." This definition excludes transitional housing. However, projects that were funded as emergency shelter (shelter operations) under the FY 2010 Emergency Shelter Grants program may continue to be funded under the emergency shelter component under the Emergency Solutions Grants program, regardless of whether the project meets the revised definition.

Admission, Diversion, Referral and Discharge. ESG sub-recipients must conduct an initial evaluation of all individuals or families to determine if they should be admitted to an emergency shelter, diverted to a provider of other ESG funded components (e.g. rapid re-housing or homeless prevention assistance) and/or referred for other mainstream resources.

ESG sub-recipients must determine that individuals and families meet criteria including the Homeless Definition and rate the individual or family's vulnerability to ensure that only those individuals or families that have the greatest need for emergency shelter assistance receive ESG funded assistance.

ESG sub-recipients must also reassess emergency shelter participants, on an ongoing basis, to determine the earliest possible time that they can be discharged to permanent housing.

Safety and Shelter Needs of Special Populations. ESG funds may be used to provide services for homeless youth, victim services, and services for people living with HIV/AIDS, so long as the costs of providing these services are eligible under the regulations for the emergency shelter component found at 24 CFR Part 576.102.

Consistent with ESG recordkeeping and reporting requirements found at 24 CFR Part 576.500, ESG sub-recipients must develop and apply written policies to ensure the safety of program participants through the following actions:

- All records containing personally identifying information (as defined in HUD's standards for participation, data collection, and reporting in a local HMIS) of any individual or family who applies for and/or receives ESG assistance will be kept secure and confidential
- The address or location of any domestic violence, dating violence, sexual assault, or stalking shelter project assisted under the ESG will not be made public, except with written authorization of the person responsible for the operation of the shelter
- The address or location of any housing of a program participant, including youth, individuals living with HIV/AIDS, victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing will not be made public, except as provided under a preexisting privacy policy of the sub-recipient and consistent with state and local laws regarding privacy and obligations of confidentiality
- ESG sub-recipients must adhere to the following ESG shelter and housing standards found at 24 CFR Part 576.403 to ensure that shelter and housing facilities are safe, sanitary, and adequately maintained:

Lead-Based Paint Requirements. The Lead-Based Paint Poisoning Prevention Act applies to all shelters assisted under ESG program and all housing occupied by program inspection on all units receiving assistance under the rapid re-housing AND homelessness prevention components if the unit was built before 1978 and a child under age of six or a pregnant woman resides in the unit.

Attachment A, Amended Consolidated Plan FY 15-19 | Page 5

Structure and Materials. The shelter building shall throughout be structurally sound to protect residents from the elements and not pose any threat to health and safety of the residents.

Access. The shelter must be accessible, and there shall be a second means of exiting the facility in the case of emergency or fire.

Space and Security. Each resident shall have adequate space and security for themselves and their belongings. Each resident must have an acceptable place to sleep.

Interior Air Quality. Each room or space within the shelter/facility must have a natural or mechanical means of ventilation. The interior air should be free of pollutants at a level that might threaten or harm the health of residents.

Water Supply. The shelter's water supply shall be free of contamination.

Sanitary Facilities. Each resident shall have access to sanitary facilities that are in proper operating condition. These facilities shall be able to be used in privacy, and be adequate for personal cleanliness and the disposal of human waste.

Thermal Environment. The shelter/facility must have any necessary heating/cooling facilities in proper operating condition.

Illumination and Electricity. The shelter/facility should have adequate natural or artificial illumination to permit normal indoor activities and support health and safety. There should be sufficient electrical sources to permit the safe use of electrical appliances in the shelter.

Food Preparation. Food preparation areas, if any, should contain suitable space and equipment to store, prepare and serve food in a safe and sanitary manner.

Sanitary Conditions. The shelter should be maintained in a sanitary condition.

Fire Safety-Sleeping Areas. There shall be at least one working smoke detector in each occupied unit of the shelter facility. In addition, smoke detectors should be located near sleeping areas where possible. The fire alarm system should be designed for a hearing-impaired resident.

Fire Safety-Common Areas. All public areas of the shelter must have at least one working smoke detector.

Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter 24 CFR 576.102.

- ESG funds may be used to provide essential services to individuals and families who are in an emergency shelter. Essential services for participants of emergency shelter assistance can include case management, child care, education services, employment assistance and job training, outpatient health services, legal services, life skills training, mental health services, substance abuse treatment services, transportation, and services for special populations.
- ESG sub-recipients are responsible to assess an individual or family's initial need for emergency shelter and must re-assess their need on an ongoing basis to ensure that only those individual or families with the greatest need receive ESG funded emergency shelter assistance.
- Based on the CoC's centralized or coordinated assessment system, ESG recipients shall be required to use that system to help determine an individual or family's need for emergency shelter or other ESG funded assistance.
- CoC's Policies and Procedures is encouraged for coordination among emergency shelter providers, essential service providers, homelessness prevention and rapid re-housing assistance providers, other homeless assistance providers, and mainstream services and housing providers.

Attachment A, Amended Consolidated Plan FY 15-19 | Page 6

- Coordination to assist the homeless and prevent homelessness will come from the leadership of the statewide Continuum of Care. The City will maintain active engagement and membership in the statewide CoC or local homeless coalition. The CoC will further engage and coordinate resources amongst other entities to improve current programs and funding.

STREET OUTREACH

Per 24 CFR 576.401 and 24 CFR 576.500 the City and ESG sub-recipients must conduct an initial evaluation to determine each individual or family's eligibility for street outreach essential services. These evaluations must be conducted in accordance with the centralized or coordinated assessment requirements set forth under §24 CFR 576.400(d).

Street outreach costs are limited to the costs of: providing essential services necessary to reach out to unsheltered homeless people; connecting unsheltered homeless people with emergency shelter, housing, or critical services; and providing urgent, non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility 24 CFR 576.101(a).

Engagement. The costs of activities to locate, identify, and build relationships with unsheltered homeless people and engage them for the purpose of providing immediate support, intervention, and connections with homeless assistance programs and/or mainstream social services and housing programs.

These activities consist of making an initial assessment of needs and eligibility; providing crisis counseling; addressing urgent physical needs, such as providing meals, blankets, clothes, or toiletries; and actively connecting and providing information and referrals to programs targeted to homeless people such as mainstream social services and housing programs, including emergency shelter, transitional housing, community-based services, permanent supportive housing, and rapid re-housing programs. 24 CFR 576.101(a)(1).

Case Management. The City or its subrecipient are limited to the cost of assessing housing and service needs, arranging, coordinating, and monitoring the delivery of individualized services to meet the needs of the program participant. Eligible services and activities related to case management are as follows: using the centralized or coordinated assessment system as required under 24 CFR 576.400(d); conducting the initial evaluation required under 24 CFR 576.401(a), including verifying and documenting eligibility; counseling; developing, securing and coordinating services; obtaining Federal, State, and local benefits; monitoring and evaluating program participant progress; providing information and referrals to other providers; and developing an individualized housing and service plan, including planning a path to permanent housing stability, 24 CFR 576.101(a)(2)

Emergency Health Services. Use of ESG funds are used for emergency health services costs are limited to direct outpatient treatment of medical conditions (as listed under 24 CFR 576.101(a)(3)) that are provided:

Attachment A, Amended Consolidated Plan FY 15-19 | Page 7

- a. by licensed medical professionals operating in community-based settings, including streets, parks, and other places where unsheltered homeless people are living, and
- b. only to the extent that other appropriate health services are inaccessible or unavailable within the area

Emergency Mental Health Services. Use of ESG funds for emergency mental health services the costs are limited to the costs associated with direct outpatient treatment (as listed under 24 CFR 576.101(a)(4)) that is provided:

- a. by licensed professionals of mental health conditions operating in community-based settings including streets, parks, and other places where unsheltered people are living, and
- b. only to the extent that other appropriate health services are inaccessible or unavailable within the area

Eligible costs are the direct outpatient treatment by licensed professionals of mental health conditions operating in community-based settings, including streets, parks, and other places where unsheltered people are living. ESG funds may be used only for these services to the extent that other appropriate mental health services are inaccessible or unavailable within the community.

Mental health services are the application of therapeutic processes to personal, family, situational, or occupational problems in order to bring about positive resolution of the problem or improved individual or family functioning or circumstances 4 CFR 576.101(a)(4)] (iv). Eligible treatment consists of crisis interventions, the prescription of psychotropic medications, explanation about the use and management of medications, and combinations of therapeutic approaches to address multiple problems.

Transportation. Where ESG funds are used for transportation the costs are limited to the following eligible costs:

- a. the transportation costs of travel by outreach workers, social workers, medical professionals, or other service providers, that travel took place during the provision of services eligible under this section; and the costs of transporting unsheltered people to emergency shelters or other service facilities are also eligible. The costs include the following:
 - The cost of a program participant's travel on public transportation;
 - If service workers use their own vehicles, mileage allowance for service workers to visit program participants;
 - The cost of purchasing or leasing a vehicle for the recipient or subrecipient in which staff transports program participants and/or staff serving program participants, and the cost of gas, insurance, taxes and maintenance for the vehicle; and
 - The travel costs of recipient or subrecipient staff to accompany or assist program participants to use public transportation.

Minimum Period of Use. Per 24 CFR 576.101(b) the City or its ESG subrecipient will ensure that outreach services are provided to unsheltered homeless individuals and families for at least the period during which ESG funds are provided (e.g., the length of the subrecipient agreement).

Maintenance of Effort: The City or its subrecipient will not use ESG funds to replace local government funding of street outreach services unless HUD determines that the unit of general purpose was in a severe financial deficit according to the guidelines 24 CFR 576.101(c).

Upon the City's request, HUD will determine whether the unit of general purpose local government is in a severe financial deficit, based on the City's demonstration of each of the following:

- The average poverty rate in the unit of general purpose local government's jurisdiction was equal to or greater than 125 percent of the average national poverty rate, during the calendar year for which the most recent data are available, as determined according information from the U.S. Census Bureau.
- The average per-capita income in the unit of general purpose local government's jurisdiction was less than 75 percent of the average national per capita income, during the calendar year for which the most recent data are available, as determined according to information from the Census Bureau.
- The unit of general purpose local government has a current annual budget deficit that requires a reduction in funding for services for homeless people. The unit of general purpose local government has taken all reasonable steps to prevent a reduction in funding of services for homeless people. Reasonable steps may include steps to increase revenue generation, steps to maximize cost savings, or steps to reduce expenditures in areas other than services for homeless people.

Grantee SF-424's and Certification(s)

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

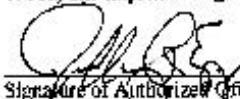

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701n) and implementing regulations at 24 CFR Part 135.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) ~~18 – 19~~ ^{18 – 19} [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009
Expiration Date: 01/31/2019

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042); Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 18 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-256), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1944 (42 U.S.C. §§280 dd-5 and 280 ee-5), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Title II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-648) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
 12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1504 and 7324-7326) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
 13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
 14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
 15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of
- Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1965, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
 17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
 18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audit of States, Local Governments, and Non-Profit Organizations."
 19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
 20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.
