Local Register State National
Date of Designation:
Mills Act: Yes No

PROJECT DESCRIPTION/PROPOSED IMPROVEMENTS:

Multiple horizontal lines for project description and proposed improvements.

CERTIFICATE OF APPROPRIATENESS

A Certificate of Appropriateness (COA) is a certificate issued by the Planning Division approving the alteration, restoration, construction, removal, relocation in whole or in part, of a property on the **Local, State, or National Register of Historic Places, or within a historical district** (i.e., Old Escondido Neighborhood or in the Downtown Specific Planning Area). A COA is required for any new construction, modification, and alteration that would affect the **exterior appearance** of a designated historical resource, a property located within a historical district, or a property located within the Downtown Specific Planning Area, including rear and side elevations, as well as the street façade, even when a building permit is not otherwise required. Such exterior modifications include, but are not limited to, repainting, re-roofing, adding/modifying architectural details, porches, window replacement/additions, and fencing. For a complete list of permit/review requirements, please see attached "Activity Construction Review Process."

Projects requiring a COA that are historic or located in a historic district shall comply with the provisions of **Article 40** and **Article 65** of the Zoning Code and all other applicable laws, as well as be consistent with the **Design Guidelines for Property Owners of Historic Resources**. For projects located in the Downtown Specific Planning Area requiring a COA, compliance with the Downtown Specific Plan is necessary (**on file with the City Planning Division**). Some projects may require design review, Engineering Permits, and/or building permits (see attached).

Prior to submittal of a COA application for a project that requires Design Review, a pre-application meeting with a member of the Planning staff will be necessary to answer any questions and to ensure that the application will be completed as required. Appointments for a pre-application meeting can be scheduled by contacting the Planning Division at (760) 839-4671.

Submittal Requirements (for projects requiring COA Staff review only— see attached **Activity Construction Review Process**)

1. Completed and signed application form
2. One (1) copy of proposed plan (photo/drawings)
3. For material/color changes (repaint/re-roof):
 - a. Current photo of property depicting all elevations
 - b. Proposed color/material samples
 - c. Illustration/identification of location for proposed colors/materials
4. Other exterior modifications (requiring design review approval):
 - a. Photos of site and adjacent properties
 - b. Color/material board
 - c. Site plan shall include:
 - North arrow and graphic scale
 - Exterior boundaries of the subject property, property dimensions and adjacent streets.
 - All structures, parking areas, driveways and landscape planters.

- For fences/walls: location, height and type (note whether existing or proposed).
 - Location and dimensions of existing and proposed structures (note whether to remain or to be removed and the type and use)
- d. Building Elevation Plans (when applicable) shall include:
- Details for north, south, east and west sides of structures
 - Height of each building
 - Locations and dimensions of doors, windows, architectural detailing, chimneys, mechanical equipment (and screening), etc.
 - Types and colors of materials proposed.
 - Floor plans (when applicable) shall include:
 - Square footage and dimensions of each room, floor and total square footage of building.
 - Type and use of rooms.

Procedure

Certificate of Appropriateness applications shall be submitted to the Planning Division for review to determine conformance with **Article 40** and **Article 65** of the Zoning Code, the Downtown Specific Plan and other applicable ordinances and policies of the City of Escondido. Those COA applications that do not require design review pursuant to the above referenced articles shall be processed and approved, conditionally approved or denied within five (5) working days from the date of determination of a complete application.

Signatures. Applicant and property owner signature lines must be signed, even if the applicant and property owner are the same. The signature of the architect and/or engineer is also required if drawings are submitted by professional architects and/or engineers.

Applicant

As part of this application the applicant hereby agrees to defend, indemnify and hold harmless the City of Escondido, its Council, boards and commissions, officers, employees, volunteers, and agents from any claim, action, or proceeding against the City of Escondido, its Council, boards and commissions, officers, employees, volunteers and agents, to attack, set aside, void or annul an approval of the application or related decision, including environmental documents, or to challenge a denial of the application or related decisions. This indemnification shall include, but not be limited to, damages awarded against the City, if any, costs of suit, attorneys' fees, and other expenses incurred in connection with such claim, action, causes of action, suit or proceeding whether incurred by applicant, City, and/or the parties initiating or bringing such proceeding. The applicant shall indemnify the City for all of City's costs, attorneys' fees, and damages which City incurs in enforcing the indemnification provisions set forth herein. The applicant shall pay to the City upon demand any amount owed to the City pursuant to the indemnification requirements prescribed.

By signing below, I hereby certify that the application I am submitting, including all additional required information, is complete and accurate to the best of my knowledge. I understand that any misstatement or omission of the requested information or of any information subsequently requested may be grounds for rejecting the application, deeming the application incomplete, denying the application, suspending or revoking a permit issued on the basis of these or subsequent representations, or for the seeking of such other and further relief as may seem proper by the City of Escondido.

Applicant: _____

Date: _____

Property Owner

By signing below, I hereby certify under penalty of perjury, that I am the owner of record of the property described herein and that I consent to the action requested herein. All other owners, lenders or other affected parties on the title to the property have been notified of the filing of this application. Further, I hereby authorize City of Escondido employees and officers to enter upon the subject property, as necessary to inspect the premises and process this application.

In order to facilitate the public review process, the City requires that property owners agree to allow any plans or drawings submitted as part of the application to be copied for members of the public. Property owner(s) hereby agree to allow the City to copy the plans or drawings for the limited purpose of facilitating the public review process.

Property Owner: _____

Date: _____

Architect/Engineer

In order to facilitate the public review process, the City requires that architects and engineers agree to allow any plans, drawings, studies or reports submitted as part of the application to be copied for members of the public. Architect/Engineer hereby agrees to allow the City to copy the plans, drawings, studies or reports for the limited purpose of facilitating the public review process.
