**APPROVED**       **DENIED**

Reso No. \_\_\_\_\_ File No. \_\_\_\_\_

Ord No. \_\_\_\_\_

**Agenda Item No.: 15**

**Date: March 8, 2017**

**TO:** Honorable Mayor and Members of the City Council  
**FROM:** Christopher W. McKinney, Director of Utilities  
**SUBJECT:** Emergency Repair of the Sewer Pipeline in Green Tree Mobile Home Estates

RECOMMENDATION:

It is requested that the City Council adopt Resolution No. 2017-39, declaring that pursuant to the terms of Section 22050 of the California Public Contract Code, the City Council affirms that it was appropriate for City staff to forego normal bidding procedures and to award a contract for emergency repairs of a damaged sewer main in Green Tree Mobile Home Estates near Pineapple Way. The resolution, which must be passed by four-fifths vote, also declares that public interest and necessity demand the immediate expenditure to safeguard life, health, or property.

FISCAL ANALYSIS:

Funding for this emergency sewer pipeline work is available in the Wastewater Fund. The contract is a time and materials contract, meaning that the contractor will bill for staff time, equipment, and construction materials necessary to complete the repairs. The contract value is not to exceed \$570,000 without further City approval. The "not to exceed" value is based on a preliminary estimate of the work required. However, given the urgent nature of the project, a detailed engineering analysis has not been completed. When work begins, the contractor and staff will be able to better assess conditions around the pipeline and refine the cost estimate.

BACKGROUND:

The existing sewer pipeline near the intersection of Pineapple Way and Green Tree Road in the Green Tree Mobile Home Estates is a 27-inch diameter reinforced concrete pipe, which was installed in 1959. This pipeline conveys raw sewage from approximately 40 percent of the City of Escondido to the Hale Avenue Resource Recovery Facility.

On March 1, 2017, the City was notified by the manager of the Green Tree Mobile Home Estates of a large sinkhole near the City's sewer pipeline on Green Tree Mobile Home Estates property near the intersection of Pineapple Way and Green Tree Road. Utilities staff immediately responded and determined that the sink hole appeared to be located near the City's existing 27-inch sewer pipeline. Further field investigation revealed a large hole approximately 2 feet long and 4 inches wide in the

sewer pipeline. Utilities staff anticipates bypassing the line to restore services temporarily while the extent of damage to the pipeline is fully evaluated and repaired.

Southland Paving, Inc. has the staff expertise and equipment to immediately mobilize to repair the sewer pipeline on a time and material basis.

Respectfully submitted,

Christopher W. McKinney  
Director of Utilities

RESOLUTION NO. 2017-39

A RESOLUTION OF THE CITY COUNCIL OF  
THE CITY OF ESCONDIDO, CALIFORNIA,  
ACCEPTING THE RECOMMENDATION OF  
THE DIRECTOR OF UTILITIES THAT AN  
EMERGENCY REQUIRES THE IMMEDIATE  
REPAIR OF THE ESCONDIDO SEWER  
PIPELINE IN GREEN TREE MOBILE HOME  
ESTATES

WHEREAS, the City Council recognizes that a portion of the 27-inch sewer pipeline in Green Tree Mobile Home Estates near Pineapple Way has suffered a catastrophic failure; and

WHEREAS, pursuant to California Public Contract Code Section 22035 and Section 10-131 of the Escondido Municipal Code, when repairs or replacements are necessary to permit the continued conduct of the operation or services of the city, or to avoid danger to life or property, the City Manager or his or her designee may proceed at once to purchase services without adopting plans, specifications, working details, or giving notice of bids to award contracts; and

WHEREAS, the Director of Utilities, in consultation with the City Manager, has determined that the failure of the sewer pipeline near Pineapple Way constitutes an immediate risk to the health of the public and the continued services of the sewer system, requiring immediate action that will not permit the delay that would result from a competitive bidding process; and

WHEREAS, Southland Paving, Inc. has the ability and expertise to design and construct the repair for the sewer pipeline; and

WHEREAS, the Director of Utilities has recommended that emergency funds be expended on the immediate repair of the sewer pipeline near Pineapple Way by Southland Paving, Inc. and a Public Improvement Agreement ("Agreement") has been entered into with Southland Paving, Inc. in an amount not to exceed five hundred seventy thousand dollars (\$570,000); and

WHEREAS, pursuant to Section 22050 of the Public Contract Code, the City Council must review the emergency action at its next regularly scheduled meeting and determine by a four-fifths vote there is a need to continue the action; and

WHEREAS, this City Council desires at this time and deems it to be in the best public interest to accept the recommendation of the Director of Utilities and authorize the emergency expenditure of an amount not to exceed five hundred seventy thousand dollars (\$570,000);

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Escondido, California, as follows:

1. That the above recitations are true.
2. That the Mayor and City Council accepts the determination by the Director of Utilities that the failure of the sewer pipeline near Pineapple Way is a public health and safety emergency; that this emergency will not permit the delay that would result from a competitive bidding process; and that the proposed action is necessary to respond to the emergency requiring immediate repair of the sewer pipeline.
3. That the Mayor and City Council accepts the recommendation of the Director of Utilities and that it is in the best public interest to authorize the Director of

Finance to issue a Purchase Order to Southland Paving, Inc., in an amount not to exceed \$570,000, to fund this emergency repair. A copy of the Agreement is attached as Exhibit "A" to this Resolution and is incorporated by this reference.

**PUBLIC IMPROVEMENT AGREEMENT**

This "Agreement", dated the 7<sup>th</sup> day of March, 2017, in the County of SAN DIEGO, State of California, is by and between **THE CITY OF ESCONDIDO** (hereinafter referred to as "CITY"), and **SOUTHLAND PAVING, INC.** (hereinafter referred to as "CONTRACTOR").

The CITY and the CONTRACTOR, for the consideration stated herein, agree as follows:

1. The complete contract includes the attached Project Document, Exhibit "1"; and General Conditions, incorporated by reference. The Project Documents are complementary, and what is called for by any one shall be as binding as if called for by all.
2. CONTRACTOR shall perform, within the time set forth in Paragraph 4 of this Agreement, everything required and reasonably inferred to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete contract and required for construction of

**Emergency Repair of the Sewer Pipeline in Green Tree Mobile Home Estates**

All of said work to be performed and materials to be furnished shall be completed in a good workmanlike manner, free from defects, in strict accordance with the plans, drawings, specifications and all provisions of the complete contract as hereinabove defined. The CONTRACTOR shall be liable to the CITY for any damages and resulting costs, including consultants' costs, arising as a result of a failure to fully comply with this obligation, and the CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of the Architect, Engineer, Inspector, or representative of any of them, unless such act or omission actually prevents the CONTRACTOR from fully complying with the requirements of the Project Documents, and unless the CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing the CONTRACTOR from fully complying with the Project documents. Such protest shall not be effective unless reduced to writing and filed with the CITY within **three (3) working days** of the date of occurrence of the act or omission preventing the CONTRACTOR from fully complying with the Project documents.

3. CITY shall pay to the CONTRACTOR, as full consideration for the faithful performance of the contract, subject to any additions or deductions as provided in the Project documents, **the COSTS OF TIME AND MATERIALS NOT TO EXCEED FIVE HUNDRED SEVENTY THOUSAND DOLLARS (\$ 570,000.00).**
4. The work shall commence **IMMEDIATELY** and shall proceed until the emergency repair is complete.
5. Time is of the essence. If the work is not completed in accordance with Paragraph 4 above, it is understood that the CITY will suffer damage. It being impractical and infeasible to determine the amount of actual damage(s), in accordance with Government Code Section 53069.85, it is agreed that CONTRACTOR shall pay to CITY as fixed and liquidated damages, and not as a penalty, the

6. In the event CONTRACTOR, for a period of **ten (10) calendar days** after receipt of written demand from CITY to do so, fails to furnish tools, equipment, or labor in the necessary quantity or quality, or to prosecute said work and all parts thereof in a diligent and workmanlike manner, or after commencing to do so within said **ten (10) calendar days**, fails to continue to do so, then the CITY may exclude the CONTRACTOR from the premises, or any portion thereof, and take possession of said premises or any portion thereof, together with all material and equipment thereon, and may complete the work contemplated by this Agreement or any portion of said work, either by furnishing the tools, equipment, labor or material necessary, or by letting the unfinished portion of said work, or the portion taken over by the CITY to another contractor, or demanding the surety hire another contractor, or by any combination of such methods. In any event, the procuring of the completion of said work, or the portion thereof taken over by the CITY, shall be a charge against the CONTRACTOR, and may be deducted from any money due or to become due to CONTRACTOR from the CITY, or the CONTRACTOR shall pay the CITY the amount of said charge, or the portion thereof unsatisfied. The sureties provided for under this Agreement shall become liable for payment should CONTRACTOR fail to pay in full any said cost incurred by the CITY.
