Current Business

Item #2: Election of Officers

The annual election of Library Board of Trustees officers was held. Trustee Guiles was voted in as President and Trustee Salazar was re-elected as Secretary. Trustee Gorny congratulated the new officers on their upcoming and continuing roles. The officers will assume office at the May 2017 meeting. Trustees Guiles and Gorny confirmed they will not be available to attend the next Board of Trustees Meeting, scheduled on May 9, 2017.

Assistant Library Director Smith noted that the Library Board of Trustees Bylaws should be amended to move the annual election of officers from March to April to accommodate the appointment of Trustees, which occurs annually in March. The revised Bylaws will be presented for approval at the May 2017 meeting.

Trustee Guiles made a motion to cancel the May 9, 2017 Board of Trustees meeting and reschedule it on May 23, 2017. The motion was seconded by Trustee Salazar. The motion was approved unanimously.

Item #3: Request to Purchase Smart TV

Director McKinney presented the request to purchase a Smart TV for the Library Board Room, funded by monies budgeted in the Trust fund for technology. The Smart TV will
be used for presentations and webinars. Trustee Gomey recommended a screen that is 65" or larger to fit the size of the room.

**Trustee Salazar made a motion to approve the purchase of a smart TV using Trust Account Technology funds, at a cost not to exceed $2,000. The motion was seconded by Trustee Guiles. The motion was approved unanimously.**

**Item #4: Library Budget Update**

**Annual Operating Budget (AOB) – General Fund**

Director McKinney provided an update on the Library Division’s proposed Annual Operating Budget submitted to the Finance Department. The Library’s proposed budget was accepted by the City’s Finance Department and it includes increased hours for one specialized position. The Finance Department has reviewed budgets submitted by all City departments and will present a preliminary review of a balanced FY 2017-2018 Annual Operating Budget to the City Council on May 3, 2017.

**Capital Improvement Projects (CIP) Budget**

CIP requests for fiscal year 2017-2018 were submitted in March 2017. Library staff requested $200,000 from Public Facility Funds for new circulating materials; a $50,000 pass-through donation into the Trust Fund from the Friends of Escondido Public Library for the purchase of supplemental books; and $41,500 for the purchase and installation of a new digital security system. The digital security system would improve the safety of patrons and staff. It has been determined that the security system will be placed on the list of unfunded requests. The Finance Department will present the preliminary CIP budget, including the two remaining requests, to the City Council on May 10, 2017.

**Item #5: Review of Mission, Vision, and Values (MVV) Statements**

Director McKinney presented a draft of the proposed Library Mission, Vision, and Values statements created by staff. The Trustees reviewed the existing and proposed MVV statements and provided feedback which will be shared with staff. The final MVV statements will be shared with the Trustees at the May 2017 Board of Trustees meeting. The next step in this process is rebranding the Library’s logo, and staff will begin working on this as soon as the MVV statements are finalized.

**Other Reports**

**Presented by Director of Library & Community Services and Assistant Library Director**

**San Diego County Grand Jury Update:** Director McKinney reported that an article in the April 6, 2017 edition of the *Escondido Times Advocate* newspaper included a summary of the San Diego County Grand Jury report on Escondido Public Library programs and services. The Grand Jury investigated a complaint and a report was
made public on March 21, 2017. The report contends the Library is “inadequate” to serve the community. The City of Escondido must respond to the report within 90 days of publication.

The Grand Jury’s findings and recommendations were based primarily on information gathered from the California State Library’s annual survey data. The time period referenced by the Grand Jury extends back to 2008 when significant economic circumstances impacted Library services and operations.

Many of the issues identified in the report stem from the lack of physical space in the existing Library facility. The City Council has recognized the need for a new building and resolved to address this over the past several years. They have directed staff to pursue matters related to building a larger Library facility in Grape Day Park.

Library and City staff are working with the City Attorney on a response which will be posted to the Grand Jury’s website upon receipt.

**Volunteer Luncheon:** The Library’s annual Volunteer Recognition Luncheon will take place April 13, 2017 at California Center for the Arts, Escondido. This event is an opportunity to recognize 220 Library volunteers who have donated over 29,000 hours of service within the last year. The funds donated by the Trustees for this event are greatly appreciated.

**Learner Recognition Dinner:** Literacy Services will host their annual Learner Recognition Dinner on May 11, 2017 at the Park Avenue Community Center. City Council Member Diaz will be the keynote speaker. This event recognizes learners and their achievements and is funded through the California Library Literacy Services (CLLS) grant and Friends of Literacy Services. The Friends of Literacy Services have funded the publication of a book of learners’ writings. The book will be distributed at the event.

**Summer Reading Challenge:** The annual *Summer Reading Challenge* for children, teens, and adults will take place June 19 – July 31, 2017. The theme is *Design Your World*.

**Rotary Grant:** Staff have applied for the Escondido Rotary Grant to replenish popular areas of the collection including the *Book Club in a Bag* program.

**Adjourned:** Trustee Gomy adjourned meeting at 3:48 p.m.

SUBJECT: Escondido Public Library Budget Update

Recommendation: Receive information and file.

SUBJECT: RFID/AMH Project Update

Recommendation: Receive information and file.

Background:

In FY 2015-16, City Council approved two Capital Improvement Projects (CIP) for Escondido Public Library to procure and install state of the art Radio Frequency Identification (RFID) and Automated Materials Handling (AMH) systems.

RFID technology provides systems for efficiently checking in, checking out, and securing library materials. RFID tags and electronic sensing and monitoring equipment help staff process materials more efficiently, securely, and ergonomically. RFID systems also make it easier for patrons to use self-service check-out. RFID technology, compatible with the integrated library system (ILS), provides greater access to materials.

Similarly, AMH technology and systems improve staff efficiency and customer experience through a combination of enhanced self-service check-in and an automated sorter system that reduces check-in time, lowers the incidence of repetitive motion injuries, and allows the return of materials to their locations rapidly.

An oral report on the status of these projects will be provided.

SUBJECT: Report on Grant Activities  

**Recommendation:** Receive information and file.  

**Background:**  
This report provides a brief review of Escondido Public Library’s grant-related activities involving the recent award of a grant and two applications in process. In addition, the Library received the benefit of a California State Library grant as a member of the Serra Cooperative Library System.  

**Grant Award - Library Virtual Reality (VR) Experience Project**  
- In April 2017, Escondido Public Library was named as a recipient of the *Library Virtual Reality (VR) Experience Project* grant. This grant was made possible by the California State Library and LSTA (Library Services and Technology Act) funding. The grant provides a free VR-enabled computer with pre-loaded educational programs, plus Oculus Rift head gear, installation assistance, training, and access to a web portal to assist with resources to conduct successful VR programming.  
  
The Library successfully met the award criteria which was based on local need, community diversity, and well-conceived plans for incorporating VR into Library programming.  
  
The Library plans to set up a VR experience station for public use. Staff is working with the State Library to coordinate receipt of the equipment this summer.  

**Grant Applications Under Consideration**  
- The San Diego Futures Foundation (SDFF) has invited Escondido Public Library to serve as their community partner to form a *Girls Who Code Club (GWCC)* in Escondido. [https://girlswhocode.com/clubs](https://girlswhocode.com/clubs)  
  
GWCC participants, grades 6-12, work in teams to design and build a Computer Science “CS” Impact Project that solves real world problems through code. The Club offers a free, unique educational and technology-focused opportunity for teens to build skills in a supportive and safe environment. The SDFF runs a
successful GWCC in San Diego and their goal is to bring this opportunity to a prime North County location. Escondido Public Library has been identified as the ideal location and community partner.

To fund this initiative, SDFF applied for an Escondido Charitable Foundation (ECF) grant and named the Library as their primary partner. SDFF will fund and organize the program. The Library will serve as the location for meetings, help recruit attendees, and promote GWCC meetings. The SDFF/Library partnership will tap into the Library’s excellent avenues for marketing to leverage exposure.

The SDFF proposal to the ECF is currently under consideration. The proposal successfully passed the first review and advanced to a site review, which was conducted at the end of April. Grant award notification is expected towards the end of summer 2017.

- Escondido Public Library applied for an Escondido Rotary Club Community Grant in April. The grant, currently under review, will provide funding to purchase popular materials for collections in heavy demand and best-selling titles popular with book clubs. Some of the funds will be used to expand the popular Book Club in a Bag program. A decision for this grant application is expected by the end of July 2017.

- The application to continue participation in the California State Library Literacy Services program (CLLS) in FY 2017-2018 will be submitted by the end of May 2017. The Library’s maintenance of effort related to Literacy program coordination and learner/tutor participation remains strong and funding is expected to continue. Escondido Public Library has been a CLLS grant recipient for over 20 years.

- Escondido Public Library is a member of the Serra Cooperative Library System (Serra), a consortium of libraries in San Diego and Imperial counties. Serra received funding through a California State Library LSTA grant to provide member libraries with the use of a 3D printer for staff education and use. The 3D printer currently on loan to Escondido Public Library will allow staff the unique opportunity to experiment with 3D software and hardware. This introduction and training opportunity will help determine the feasibility for a future application. Demonstrations are being conducted for Library and City staff over the next several weeks.
