MINUTES:

Moved by Vice-chair Osvold, seconded by Chair Tiedeman, to approve the minutes of the January 8, 2018, meeting. Motion carried unanimously.
OLD BUSINESS:

1. Status of Queen Califia Schedule - Discussion

Kristina Owens, Associate Planner, referenced the staff report and noted that they had enough docents until June. She also stated that a request for more docents had been sent out.

Chair Tiedeman suggested the Arts Partnership for volunteers.

Vice-Chair Osvold noted he would check with the Arts Partnership Board for potential volunteers.

Commissioner Velasco asked if the public could be informed about the piece being open on the 4th Saturday versus putting it into print and putting it on the website.

Discussion ensued regarding the requirements for keeping the project open on the fourth Saturday.

Chair Tiedeman suggested advertising the fourth Saturday in the Visit Escondido brochure to see if it made a difference in the amount of individuals coming to the piece on the fourth Saturday.

NEW BUSINESS:

1. Potential Re-Location of Monuments to Time Sculptures – Discussion/Action

Karen Youel, Housing/Neighborhood Manager, referenced the staff report and noted that the City had received a Housing Related Parks grant from HCD to do a number of new and delayed maintenance projects in low-income areas.

Discussion ensued regarding the restoration process for the Monuments of Time pieces as well as possible alternate locations. Areas suggested included Maple Street Plaza and Grape Day Park.

Chair Tiedeman suggested the area in front of the Center of the Arts.

Vice-Chair Osvold suggested coming up with other possible locations and then voting on it.

Ms. Youel noted that the reason this came about was due to the pieces needing to be removed and repaired.
Discussion ensued regarding placing the pieces in Heritage Park.

Commissioner Spann felt installing the pieces at Heritage Park might reduce the amount of transients in that area.

**DIRECTOR’S REPORT:** Received.

Discussion ensued regarding the possibility of installing a roundabout on Grand Avenue and incorporating new art into it using matching funds and Public Art input.

**STAFF LIAISON REPORT:** Received.

**FINANCIAL REPORT:** March 2018 - Received.

SUBJECT: Staff Liaison Report

QUEEN CALIFIA’S MAGICAL CIRCLE
Queen Califia visits continue to be working well thanks to everyone’s cooperation. Second Saturdays have been fully staffed and we have been able to staff Tuesdays and Thursdays through the Summer, with only a few exceptions. We have also been able to accommodate several large groups at other days/times.

Lech Juretko removed the Step Totem, the last totem to be repaired, at the end of June. Lech is doing the restoration offsite and then the totem will be replaced in the exhibit.

VINEHENGE
The damaged slide end was replaced on the Vinehenge slide in February 2018. A plastics manufacturer was hired to create a mold of the part and to mold one additional piece for the next time replacement is needed, since the slide is no longer being manufactured. The extra replacement piece was completed and is being stored at the Public Works yard.
